4. DELIVERY: Specify delivery date after receipt of order in terms of days or weeks on bid sheet. Failure to do this may be cause for rejection of the bid. Commodities delivery is to be made to UCF's Central Receiving location (UCF, Building 16E, Libra Drive, Orlando, FL 32816). When delivery is specified to a location other than the University's Central Receiving Department, vendor shall direct its carrier to telephone the University's Central Receiving Department before unloading. Delivery of all shipments shall occur between 9:00 a.m. and 4:00 p.m., Mondays through Fridays only, except on State of Florida or U.S. holidays. The University of Central Florida is committed to sustainable practices. Palletized shipments should not exceed 1500 pounds per pallet and when possible, should be shipped on a 40"x48" pallet. Payee shall include a packing list showing contents of shipment (if shipment is made in two or more containers). No boxing, packing, installation, assembly, or similar charges (not included in the item price) will be allowed unless expressly and specifically authorized in writing by the University on the face of any purchase order or contract resulting from this ITB.

FREIGHT TERMS: Unless otherwise specified, all shipments are to be shipped inside delivery, F.O.B. destination, with all transportation charges prepaid and title transferring to the university at time of delivery, (Payee pays and bears all freight related charges, owns goods in transit and files any claims). Bid prices shall include all cartage, drayage, packing, etc., delivered to and unloaded at the receiving station at the site designated in the Invitation to Bid or purchase order and there received by the designated university personnel.

5. PARKING: The Payee shall ensure that all vehicles parked on campus for purposes relating to work resulting from this ITB shall have proper parking permits. This applies to all personal vehicles and all marked and unmarked company vehicles that will be on any University campus for one (1) day or more or on a recurring basis. All such vehicles must be registered with University's Parking Services Department, and parking permits must be purchased by the Payee. Payee's vehicle(s) shall observe all parking rules and regulations. Failure to obtain parking permits, properly display them, and otherwise comply with all of University's parking rules and regulations could result in the issuance of a parking ticket and/or towing at the expense of Payee or Payee's employees. UCF's Parking Services Department can be contacted at (407) 823-5812 for additional information pertaining to parking and parking fees/rates.
6. EMPLOYMENT OF ALIENS: The employment of unauthorized aliens by any Contractor is considered a violation of Section 274A(e) of the Immigration and Nationality Act. If the contractor knowingly employs unauthorized aliens, such violation shall be cause for unilateral cancellation of the contract by the University without penalty to the University.
7. AVAILABILITY OF FUNDS: The obligations of the University under this award are subject to the availability of funds lawfully appropriated annually for its purposes by the Legislature of the State of Florida.
8. AWARD: Award is anticipated to be to multiple vendors. It is our desire to award each Lot to a single vendor; however, we reserve the right to make multiple awards per Lot. Consideration will be given the vendor bidding the lowest prices, and the highest number of line items bid in a particular Lot.

In addition to other factors, bids will be evaluated on the basis of advantages and disadvantages to the University that might result from making more than one award (multiple awards). It is assumed, for the purpose of evaluating bids that \$250 would be the administrative cost to UCF for issuing and administering each contract awarded under this solicitation, and individual awards will be for the items or combination of items that result in the lowest aggregate cost to the University, including the assumed administrative costs.

Vendors **should bid a quantity of one** because we do not have guaranteed quantities that will be purchased. However, while computing prices per item, vendors should be reminded that this is an annual contract that UCF as well as other public entities will have access to, so your best quantity break might be advantage in winning the award.

9. PRICE ADJUSTMENTS:

A. The pricing, terms and conditions established under the agreement resulting from this ITB shall be equal to or better than those offered to other comparable institutions/preferred customers/consortiums, etc. If during the term of the agreement the vendor offers more favorable terms, conditions or prices to another entity the vendor shall notify this office to immediately modify the agreement to reflect the more favorable terms, conditions, or prices.

B. The vendor may increase any discount at the time during the term of the resulting agreement. The Director of Purchasing must be notified within 10 calendar days after the changes are in effect.

C. The customer may, in its sole discretion, make an equitable adjustment in the agreement terms or pricing if pricing or availability of supply is affected by extreme and unforeseen volatility in the marketplace, that is, by circumstances that satisfy all the following criteria: (1) the volatility is due to causes wholly beyond the vendor's control, (2) the volatility affects the marketplace or industry, not just the particular vendor source of supply, (3) the effect on pricing or availability of supply is substantial, and (4) the volatility so affects the vendor that continued performance of the agreement would result in a substantial loss. The vendor must promptly notify the Director of Purchasing of any manufacturer pricing policy changes that affect the agreement or have a negative net effect on the acquisition cost.

D. As technology changes, the agreement resulting from this ITB will include any and all new products added to the manufacturers' product line during the life of the agreement. The ITB will also cover any products already on the market but not specifically mentioned on bid sheet #1. Therefore, in addition to submitting bids for the listed Lots, vendors are requested to submit bids identifying discounts off Manufacturers' Suggested Retail Prices (MSRP) on Bid Sheet #2. Vendors awarded any Lots shall provide a catalog for the manufacturer they are awarded every six months to oir@ucf.edu at the Office of Instructions Resources. In addition, vendors awarded Bid Sheet #2 will provide the MSRP and discount rate off MSRP in all quotations for these products throughout the duration of this agreement. This requirement is a must and is necessary for transparency in prices. Discount percentages are to be held firm for the entire agreement term. Customers can at their discretion choose to accept the price of a new item when calculated using the discount off of MSRP, negotiate the price or receive quotes from competing vendors.

10. TRADE-IN: Customers may trade-in equipment when making purchases from the Contract. A trade-in shall be negotiated between the Customer and the Vendor. Customers are obligated to actively seek current fair market value when trading equipment, and to keep accurate records of the process. For State agencies, it may be necessary to provide documentation to the Property Board pursuant to Chapter 273, F.S.

11. INSTALLATION:

Customers will be authorized to negotiate installation with a supplier of a specific product(s) order or issue request for quotes for installation among Vendors awarded Lots under this agreement. A formal solicitation for installation will not be required. All materials used in the installation shall be new and shall be free of defects that would diminish the appearance of the product or render it structurally or operationally unsound. Vendors shall protect the site from damage and shall repair damages or injury caused during installation by Vendor or its employees or agents. If any alteration, dismantling, excavation, etc., is required to achieve installation, the Vendor shall promptly restore the structure or site to its original condition. Vendor shall perform installation work so as to cause the least inconvenience and interference with Customers and with proper consideration of others on site. Upon completion of the installation, the location and surrounding area of work shall be left clean and in a neat and unobstructed condition, with everything in satisfactory repair and order.

12. CANCELLATION/TERMINATION: UCF may terminate a contract resulting from this ITB without cause on thirty (30) days' advanced written notice to the vendor. The parties to the contract resulting from this ITB may terminate that contract at any time by mutually consenting in writing. Either party may terminate the contract resulting from this ITB immediately for breach by the other that remains substantially uncured after thirty (30) days' advanced written notice to the breaching party, which notice describes the breach in detail sufficient to permit cure by the breaching party. The University shall be liable only for payment for services satisfactorily rendered or goods satisfactorily delivered and accepted from the date of commencement until the effective date of cancellation/termination.
13. TERM OF CONTRACT: The contract resulting from this ITB, if any, will be for a two year term beginning approximately **July 1, 2016 thru June 30, 2018** with UCF and the selected service/commodity(s) provider having the option to renew for an additional two (2) one (1) year terms as mutually agreed to by both parties. No renewal period will exceed the initial term nor will cumulative renewals exceed 10 years.
14. PAYEE INSURANCE. For all purchases under this ITB of \$10,000 or below, Payee will have and maintain types and amounts of insurance that at a minimum cover the Payee's (or subcontractor's) exposure in performing any contract resulting from this ITB. For all purchases that exceed \$10,000 (i.e. \$10,000.01 and up) and/or all purchases that require a UCF SAFE Form, Payee will have and maintain general liability insurance in an amount of no less than one (1) million dollars per occurrence and Payee shall send a copy of Payee's Certificate of Insurance (prior to commencement of Payee's performance or delivery hereunder) to the following address by email, fax or mail:

e-mail: ehs@ucf.edu
Fax: 407-823-0146
Mail: University of Central Florida
PO Box 163500
Orlando FL 32816-3500

UCF has the right to deviate from any of the above insurance requirements, if UCF, at UCF's sole discretion decides to do so. If UCF decides to deviate from the above noted insurance requirements, UCF will inform the Payee in writing in those particular circumstances. Unless UCF notifies a Payee in writing that UCF is willing to deviate from the insurance requirements noted above, all of the above insurance requirements shall apply to the Payee. The University and its Board of Trustees shall be listed as an additional insured on any Certificate of Insurance issued and named on the Additional Insured Endorsement. The Certificate Holder is to read the following:

Such insurance shall comply fully with the Florida Worker's Compensation Statutes Chapter 440. In case any class of employees engaged in hazardous work under this contract at the site of the project is not protected under the Worker's Compensation statute, the Contractor/Payee/Vendor shall provide, and cause each subcontractor to provide adequate insurance, satisfactory to the University, for the protection of his/her employees not otherwise protected.

20. **WORK FOR HIRE:** Any work specifically created for the University under an agreement resulting from this ITB by the Payee or anyone working on behalf of the Payee (the term Payee shall encompass both) shall be considered a "work for hire." All designs, prints, paintings, artwork, sketches, etchings, drawings, writings, photographs, or any other work or material or property produced, developed or fabricated and any other property created hereunder, including all material incorporated therein and all preliminary or other copies thereof, (the "Materials") shall become and remain the property of the University, and, unless otherwise specifically set forth herein, shall be considered specially ordered for the University as a "work made for hire," or, if for any reason held not to be a "work for hire,"

The Payee who created, produced, developed or fabricated the Materials hereunder (or under any contract resulting from this ITB) assigns all of his/her right, title and interest in the Materials to the University. The University shall own all right, title and interest in the Materials. The Payee agrees upon request to execute any documents necessary to perfect the transfer of such title to the University. The Materials shall be to the University's satisfaction and are subject to the University's approval. The Payee bears all risk of loss or damage to the Materials until the University has accepted delivery of the Materials. The University shall be entitled to return, at the Payee's expense, any Materials which the University deems to be unsatisfactory. On or before completion of the Payee's services hereunder, the Payee must furnish the University with valid and adequate releases necessary for the unrestricted use of the Materials for advertising or trade purposes, including model and property releases relating to the Materials and releases from any persons whose names, voices or likenesses are incorporated or used in the Materials.

The Payee agrees to indemnify and hold harmless the University and those acting for or on its behalf, the UCF Board of Trustees, the State of Florida and the Florida Board of Governors and their respective officers, agents, employees and servants from and against any and all losses, claims, damages, expenses or liabilities of any kind, including court costs and attorneys' fees, resulting from or in any way, directly or indirectly, connected with (a) the performance or non-performance of the University's order by the Payee, (b) the use or reproduction in any manner, whatsoever, or (c) any breach or alleged breach of any of the Payee's agreements or representations and warranties herein or in any contract resulting from this ITB.

21. **AMENDMENTS:** No changes or amendments to an agreement resulting from this ITB are binding on the University unless made in legible writing that is signed by an attorney in the University's General Counsel's Office and an authorized UCF signatory. The parties agree that no technology, related data or information will be exchanged or disseminated under such agreement nor any collaboration conducted pursuant to such an agreement, which are export

controlled pursuant to the export control laws of the United States, including the EAR and the ITAR and any other applicable regulations. The Parties agree that the Payee will not provide the University with any ITAR or EAR restricted technology and/or related data, and that any ITAR or EAR restricted technologies and/or data produced in furtherance of the agreement resulting from this ITB, if any, will be in the exclusive possession of the Payee and at no time will any export controlled technologies, related data, or information be intentionally or inadvertently transferred to the University, its facilities, labs, staff, researchers, employees, officers, agents, servants or students in the performance of that agreement.

If the Payee wishes to disclose export controlled technology or technical data to the University, the Payee will, prior to disclosing any information, technical data or source code that is subject to export controls under federal law, notify the University in writing that the material is export controlled and shall identify the controls that apply. The University shall have the right to decline or limit (a) the receipt of such information, and (b) any task requiring receipt of such information. In the event the Payee sends any such technical data or product that is subject to export control, without notice of the applicability of such export control, the University has the right to immediately terminate the agreement resulting from this ITB, if any. The Payee understands and agrees that to the extent the Payee's personnel have access to work or materials subject to U.S. export controls while on University property, such personnel will meet all federal export control regulatory requirements or have the appropriate U. S. government approval.

23. **FORCE MAJEURE.** No default, delay or failure to perform on the part of UCF or the Vendor shall be considered a default, delay or failure to perform otherwise chargeable, hereunder, if such default, delay or failure to perform is due to causes beyond the Vendor's or UCF's reasonable control including, but not limited to, strikes, lockouts, actions or inactions of governmental authorities, epidemics, war, embargoes, fire, earthquake, acts of God, default of common carrier. In the event of such default, delay or failure to perform due to causes beyond the Vendor's or UCF's reasonable control, any dates or times by which the parties are otherwise scheduled to perform shall be extended automatically for a period of time equal in duration to the time lost by reason of the cause beyond the reasonable control of the parties.
24. **INDEMNIFICATION.** Payee shall hold the University and the UCF Board of Trustees and the University's officers, employees, agents and/or servants harmless and indemnify each of them against any and all liabilities, actions, damages, suits, proceedings, and judgments from claims arising or resulting from the acts or omissions of Payee, its employees, its agents or of others under Payee's control and supervision. If any part of a delivery to the University pursuant to an agreement resulting from this ITB, if any, is protected by any patent, copyright, trademark, other intellectual property right or other right, Payee also shall indemnify and hold harmless the University and the UCF Board of Trustees and the University's officers, employees, agents and/or servants from and against any and all liabilities, actions, damages, suits, proceedings and judgments from claims instituted or recovered against the University by any person or persons whomsoever on account of the University's use or sale of such article in violation of rights under such patent, copyright, trademark, other intellectual property right or other right.
25. **INDEPENDENT CONTRACTOR.** Each of the parties is an independent contractor and nothing contained herein shall constitute or designate any of the employees or agents of one party as employees or agents of the other party.
26. **NO JOINT VENTURE.** Nothing contained in an agreement resulting from this ITB, if any, shall be construed to create a joint venture, partnership, or other like relationship between the parties.
27. **WAIVER/REMEDIES.** No failure or delay by a party hereto to insist on the strict performance of any term of an agreement resulting from this ITB, if any, or to exercise any right or remedy consequent to a breach thereof, shall constitute a waiver of any breach or any subsequent breach of such term. No waiver of any breach hereunder shall affect or alter the remaining terms of such agreement, but each and every term of such agreement shall continue in full force and effect with respect to any other then existing or subsequent breach thereof. The remedies provided in an agreement resulting from this ITB, if any, are cumulative and not exclusive of the remedies provided by law or in equity.

28. DISPOSITION OF BIDS; FLORIDA PUBLIC RECORDS LAW COMPLIANCE

All bids become the property of the State of Florida, and the State of Florida shall have the right to use all ideas, and/or adaptations of those ideas, contained in any bid received in response to this solicitation. Any parts of the bid or any other material(s) submitted to UCF with the bid that are copyrighted or expressly marked as “confidential”, “proprietary”, or “trade secret”, will only be exempted from the “open records” disclosure requirements of Chapter 119, Florida Statutes, if Florida law specifically recognizes these materials as exempt from disclosure. Thus, the mere designation as “confidential”, “proprietary”, or “trade secret” by a vendor does not ensure that such materials will be exempt from disclosure. In the absence of a specific Florida statute exempting material from the public records law, UCF is legally obligated to produce any and all public records produced or received in the course of conducting university business, irrespective of any designation by the vendor of those same records as “confidential”, “proprietary”, or “trade secret.” The ultimate determination of whether a vendor’s claim of “confidential,” “proprietary” or “trade secret” will support an exemption from disclosure will be made by UCF or, potentially, a court. UCF’s selection or rejection of a bid will not affect this provision.

29. PUBLIC RECORDS, CONTRACT FOR SERVICES: COMPLIANCE OF SECTION 119.0701, FS
To the extent that Payee meets the definition of “contractor” under Section 119.0701, Florida Statutes, in addition to other contract requirements provided by law, Payee must comply with public records laws, including the following provisions of Section 119.0701, Florida Statutes:

- A. Keep and maintain public records that ordinarily and necessarily would be required by the public agency in order to perform the service.
- B. Provide the public with access to public records on the same terms and conditions that the public agency would provide the records and at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law.
- C. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law.
- D. Meet all requirements for retaining public records and transfer, at no cost, to the public agency all public records in possession of the contractor upon termination of the contract and destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All records stored electronically must be provided to the public agency in a format that is compatible with the information technology systems of the public agency.

If Payee does not comply with a public records request, University shall enforce the contract provisions in accordance with the contract.

30. SOFTWARE RELATED PURCHASES: Licensor acknowledges that Licensee has a duty to maintain the privacy of student records, including without limitation education records as defined by the Family Educational Rights and Privacy Act (20 USC § 1232g; 34 CFR Part 99) (“FERPA”), and further acknowledges that as a contractor to whom Licensee has outsourced certain institutional services or functions:

- A. Confidential information about Licensee’s students is contained in records provided to and maintained by Licensor, and Licensor will protect the privacy of all student education records to the fullest extent required of Licensee under FERPA;
- B. Licensor is performing an institutional service or function that has been outsourced by Licensee and for which Licensee would otherwise use its employees;
- C. Licensor is under the direct control of Licensee with respect to the use and maintenance of education records, as defined by FERPA;
- D. Licensor is subject to all FERPA requirements governing the use and re-disclosure of personally identifiable information from education records, including without limitation the requirements of 34 CFR § 99.33(a);
- E. Even in circumstances that might justify an exception under FERPA, Licensor may not disclose or re-disclose personally identifiable information unless Licensee has first authorized in writing such disclosure or re-disclosure; and
- F. Licensor will not use any personally identifiable information acquired from Licensee for any purpose other than performing the services or function that are the subject of this agreement.

31. COMPLIANCE: The parties shall at all times comply with all applicable ordinances, laws, rules and regulations of local, state and federal governments, or any political subdivision or agency, or authority or commission thereof, which may have jurisdiction to pass laws, ordinances, or make and enforce rules and regulations with respect to the parties. Vendors shall certify below that they are in good standings to conduct business in the State of Florida. **The awardee of any contract resulting from this solicitation may be asked to forward a certification of good standing. If requested, the certifications must be submitted to the UCF Purchasing Department prior to providing any goods or services required under the resulting contract.** Noncompliance with this provision may constitute rejection of bids or termination of a contract at UCF's sole discretion.

Questions and Answer for ITB 1528CCA

1. On page 6, #9B, it says the vendor may increase any discount at the time during the term of the resulting agreement. Does this apply to anyone who submitted a bid for a particular lot or does this apply to only the awarded vendor of that lot, or category?

Answer: This statement refers to the vendor who has been awarded a contract that particular lot or category during the term of the awarded contract.

2. On page 8, #19, we employ fewer than 50 people. On Bid #1322MCA in 2014 we completed appendix III – certificate of non-segregated facilities. It appears to us that we have already complied with this, so our intention is to simply initial that section. Could you please review what you have on file from our firm and let me know if anything further is needed? I have attached a copy for your convenience.

Answer: This paperwork must be completed at the time of the bid submission; any previous submissions will not be considered for this bid.

3. For Sheet 2, under Miscellaneous, can we add additional manufacturers under this category? If so, is there a limit to the number of manufacturers we can add?

Answer: Yes, you may add additional manufacturers if you like. Please highlight in yellow to identify the change/addition.

4. We had updated OIR at UCF with current Kramer part numbers prior to the bid release on May 3rd. Would you consider an addendum? VP729 is at end of life; please replace with VP734 7-Input 4K UHD Presentation Switcher/Scaler
VP-3XL is no longer available; please replace with VP300K 1:3 XGA DA with KR-ISP™ Signal Processing; PIP-200XL is no longer available; please replace with PIP4 4 CV Picture-in-Picture Inserter. VM-4HDMI is on longer available; please replace with VM-4HN 1:4 HDMI Distribution Amplifier.
VM-24HDMI is no longer available; please replace with VM24H 2x1:4 HDMI Distribution Amplifier. Via Connect Pro is still current. We will provide spec sheets if you would like them for these 5.

Answer: Please correct the spreadsheet with your submission and highlight in yellow to identify the correction.

5. Over the years, Greenleigh & Wong has provided a choice of 2 types of projector lamps to UCF, the Originals and the lower priced OEM-Inside versions (original bulb housed in 3rd party cages). In the case of lamps for older projectors the university has usually opted for the OEM-Inside versions. Should we offer this choice of both lamp types on our formal bid? If so, how should we show that?

Answer: If you would like to add an OEM version of these bulbs to the spreadsheet, please add a line and highlight in yellow to identify the different versions.
