1.0 INTRODUCTION

1.1 Statement of Objective

The objective of this Invitation to Negotiate (ITN) is to enable the University of Central Florida (UCF) to enter into an agreement with multiple vendors to provide full or limited printing services for those jobs which UCF determines it cannot produce internally. UCF's goal in contracting for these services is to provide quality printing services to all UCF departments at a reasonable and competitive cost.

This document is intended to encourage qualified companies to propose a plan for the provision of printing services. UCF is only interested in conducting business with individual vendors and will not be considering 3rd party and/or print brokers.

The Successful Respondent(s), if any, will enter into a contract with UCF that provides for the performance of all terms and conditions set forth in this ITN, unless UCF has agreed to accept or negotiate certain terms and conditions, as described in Section 2.3. Non-negotiable terms and conditions (as indicated on Appendix II) must always be performed by the Respondent.

1.2 Contract Award

UCF intends to award a contract or contracts resulting from this solicitation to the responsible Respondent(s) whose offer(s) represent the best value to UCF, after evaluation in accordance with the criteria in this solicitation. The Contract will include this solicitation document and the Successful Respondent's proposal, and all the terms and conditions found in any resulting contract. A sample of UCF's standard terms and conditions can be viewed at <http://www.purchasing.ucf.edu>. The Contract will also incorporate any clarifications, and if negotiations are conducted, any additional terms and conditions that are negotiated.

- A. UCF may reject any or all offers if such action is in UCF's best interest.
- B. UCF reserves the right and sole discretion to reject any offer at any time on grounds that include, but are not limited to, Respondent's offer being found to be nonresponsive, incomplete, or irregular in any way, or when Respondent's offer is not in UCF's best interest.
- C. UCF may waive informalities and minor irregularities in offers received.
- D. UCF reserves the right to award a contract without negotiations. Therefore, the Respondent's initial offer should contain the best terms from a cost or price and technical standpoint.
- E. UCF reserves the right to conduct negotiations with the highest ranked offerer(s).
- F. UCF reserves the right to make an award on any item for a quantity less than the quantity offered, at the unit cost or prices offered, unless the respondent specifies otherwise in the offer.
- G. UCF reserves the right to make multiple awards if, after considering the additional administrative costs, it is in UCF's best interest to do so.
- H. UCF is not obligated to make an award under or as a result of this solicitation.

1.3 UCF Environment

UCF operates a printing production operation through its Print & Digital Communications Department. Visit our website at <https://printing.ucf.edu> for more information about UCF Print & Digital Communications. Routine university printing jobs are produced by this department, but production is limited by equipment, staff, and space. Consequently complex printing jobs, especially those requiring large 28"X40" to half size commercial sheet fed presses with a minimum of four towers for process color, are submitted to the local printing industry for production.

At its discretion, UCF Print & Digital Communications shall request quotes from among the printing companies who have been awarded this contract that specialize in particular areas of printing.

Printing companies awarded this contract shall submit quotes and accept print jobs only from UCF Print & Digital Communications. Companies submitting quotes or accepting print jobs from any other UCF department directly without the express consent of UCF Print & Digital Communications and the UCF Purchasing Department will be in breach of the contract resulting from this ITN.

UCF Print & Digital Communications will not request quotes from companies that have been awarded this contract that are located farther than a 50 mile radius from UCF's main campus when the job will require a press check, unless the company will absorb travel costs. Companies outside the 50 mile radius desiring to participate in agreeing to absorb travel expenses for a Press Check team of up to two (2) individuals must state so in their proposal.

Upon request at the completion of a print job, the company shall be required to forward to UCF Print & Digital Communications a digital file of the completed print job in a press quality PDF document.

The University of Central Florida seeks to strengthen its brand image as communicated through its printed materials and increase the quality of publications produced on its behalf. Compliance with UCF's Graphics Standards is a mandatory component of all publications produced for the university. Visit <http://brand.ucf.edu/graphic-standards/> for a description of UCF's Graphic Standards.

Additional general information about the university is available at http://www.ucf.edu/about_ucf

- A. UCF is not liable for interpretations/misinterpretations or other errors or omissions made by the Respondent in responding to this ITN. The Respondent shall examine this ITN to determine if UCF's conditions and requirements are clearly stated. If, after examination of the various conditions and requirements of this ITN, the Respondent believes there are any conditions or requirements which remain unclear or which restrict competition, the Respondent may request, in writing, that UCF clarify or change condition(s) or requirement(s) specified by the Respondent. "Calendar of Events," may be grounds for rejection of

that offer, at UCF's sole discretion. UCF may or may not accept and/or negotiate any such terms and conditions that the Respondent disagreed with. If UCF decides not to accept any of the terms and conditions the Respondent disagreed with, UCF shall have the right, at UCF's sole discretion to exercise its right to reject the tentative awardee's offer and proceed to the next highest ranked respondent. As noted above, the disagreement with any non-negotiable terms and conditions by the Respondent shall be automatically rejected.

- D. UCF shall at its sole discretion determine what requested changes to this ITN and the resulting agreement are acceptable. Non-negotiable terms and conditions, as indicated on Appendix II will always stay as they are and any requested changes to such clauses shall automatically be rejected. 2.7 Section Not Used

2.8 Evaluation Criteria and Selection Process

- A. UCF reserves the right to conduct negotiations if the decision maker (Vice President/Dean or his/her written designee(s) with the advice and consent of the Purchasing Director determines negotiations to be in the best interest of the university. Any portion of a meeting at which a negotiation with a vendor is conducted pursuant to a competitive solicitation is exempt from s. 286.011 and s. 24(b), Art. I of the State Constitution. Discussions with vendors after receipt of an offer do not constitute a rejection, counteroffer or acceptance by UCF.
- B. UCF reserves the right to conduct negotiations with the highest ranked offerer(s). In the event the decision maker determines it to be in UCF's best interest to enter into negotiations, he/she after receiving the advice and consent of the Purchasing Director shall:
 - 1. Establish an evaluation committee tailored for the particular acquisition that includes appropriate expertise to ensure a comprehensive evaluation of offers. The committee will review all responsive offers and develop a ranked order of vendors based on the points given each evaluation criteria contained herein;
 - 2. Develop the acquisition plan (strategy to award with or without negotiations) after review of offers;
 - 3. Ensure consistency among the solicitation requirements, notices to respondents, offer preparation instructions, evaluation criteria, solicitation provisions or contract clauses, and data requirements;
 - 4. Ensure that offers are evaluated based solely on the evaluation criteria contained in the solicitation;
 - 5. Consider the recommendations of the evaluation committee in determining which offerer(s) to enter into negotiations; and
 - 6. Select the negotiation team. This can be the evaluation team or any other individual(s) the decision maker deems necessary for the acquisition. The negotiation team will negotiate with those offerer(s) determined by the decision maker to have submitted a proposal that may be beneficial to the university.
- C. All offers shall be initially evaluated based on weighted criteria set forth in the table below by members of an evaluation committee. Such committee shall consist of three (3) or more individuals who have expertise regarding, or some experience with, the subject matter of the ITN or, if none, then individuals who could be characterized as recipients, beneficiaries, or users of the ITN's subject matter. The Vice President/Dean or his/her written designee(s) will appoint the evaluation committee members. Committee members, at the discretion of the Vice President/Dean or his/her written designee(s), shall have the option to meet as a group any time during formulation of the

specifications and solicitation stage to discuss and correct any concerns and ambiguities of the solicitation and specifications. This privilege shall be rescinded upon opening of the offers. After offer opening, each evaluation committee member shall function independently of all other persons including, without limitations, the other committee members, and, throughout the entire evaluation process, each evaluation committee member is strictly prohibited from meeting with or otherwise discussing this ITN and any aspect thereof including, without limitation, the offers and their content with any other individual whatsoever. Each evaluation committee member shall conduct an independent evaluation of the offers in accordance with the weighted evaluation criteria set forth in the following Table A:

Comments, if any...	

Each evaluation committee member must independently score, in writing, each offer on the form depicted in **APPENDIX I**. Each evaluation committee member is to enter comments, if any, regarding the offer and then sign the completed score forms and deliver them, in a sealed envelope, to the **Purchasing Person identified in section 2.1.**, who will forward copies to the **Decision Maker**, or his/her designee. At the time of such delivery to the **Purchasing Person**, the evaluation committee members shall cease to participate further in this ITN process unless expressly requested otherwise by **Decision Maker**.

The **Decision Maker** shall review, in the manner and to the extent he/she deems reasonable under the circumstances, the ITN, the offers, and committee members' scoring forms. While not bound to them, the **Decision Maker** may give deference to the scoring forms. Based on what the **Decision Maker** determines is in the best interest of UCF, the **Decision Maker** will then make the final decision whether or not to recommend the award of a contract to a Respondent to this ITN, negotiate with the highest ranked respondent(s) or cancel the ITN.

The **Decision Maker** may, at any time during this ITN process, assign one (1) or more UCF staff member(s) to assist the **Decision Maker's** review prior to his/her decision-making in this process. UCF is not obligated to make an award under or as a result of this ITN or to award such contract, if any, on the basis of lowest cost or highest commission offered. UCF reserves the right to award such

contract, if any, to the Respondent(s) submitting an offer that UCF, at its sole discretion, determines is in UCF's best interest.

2.9 Posting of Recommended Selection

An intent to award will be posted within a reasonable time when the Purchasing Department receives the decision maker's notice of recommended award decision. The recommendation to award a contract, if any, to a Respondent(s) to this ITN will be posted for review by interested parties in the Purchasing Department and the Purchasing Website and will remain posted for a period of seventy-two (72) hours (three (3) business days).

- A. If the Respondent desires to protest the recommendation to award a contract, if any, the Respondent must file with UCF:
 - 1. A written notice of intent to protest within seventy-two (72) hours (three (3) business days) of the posting of the recommended award. UCF shall not extend or waive this time requirement for any reason whatsoever.
 - 2. A formal written protest by petition within ten (10) calendar days of the date on which the notice of intent to protest is filed. UCF shall not extend or waive this time requirement for any reason whatsoever.
- B. Failure to timely file a protest or failure to timely deliver the required bond or other security in accordance with the Board of Governors' Regulations 18.002 and 18.003 shall constitute a waiver of protest proceedings.
- C. A formal written protest by petition must be accompanied by a Protest Bond payable to UCF in the amount equal to 10% of the estimated value of the protestor's bid or proposal; 10% of the estimated expenditure during the contract term; \$10,000; or whichever is less. The form of the Protest Bond shall be a cashier's check, bank official check or money order made payable to UCF.
- D. In addition to all other conditions and requirements of this ITN, UCF shall not be obligated to pay for information obtained from or through the Respondent.

2.10 Offer Validity Period

Any submitted offer, shall in its entirety, remain a valid offer for **120** days after the offer submission date.

2.11 Disposition of Offers; Florida Public Records Law Compliance

All offers become the property of the State of Florida, and the State of Florida shall have the right to use all ideas, and/or adaptations of those ideas, contained in any offer received in response to this solicitation. Any parts of the offer or any other material(s) submitted to UCF with the offer that are copyrighted or expressly marked as "confidential", "proprietary", or "trade secret", will only be exempted from the "open records" disclosure requirements of Chapter 119, Florida Statutes, if Florida law specifically recognizes these materials as exempt from disclosure. Thus, the mere designation as "confidential", "proprietary", or "trade secret" by a vendor does not ensure that such materials will be exempt from disclosure. In the absence of a specific Florida statute exempting material from the public records law, UCF is legally obligated to produce any and all public records produced or received in the course of conducting university business, irrespective of any designation by the vendor of those same

records as “confidential”, “proprietary”, or “trade secret.” The ultimate determination of whether a vendor’s claim of “confidential,” “proprietary” or “trade secret” will support an exemption from disclosure will be made by UCF or, potentially, a court. UCF’s selection or rejection of an offer will not affect this provision.

2.12 Economy of Presentation

Each offer shall be prepared simply and economically, providing a straightforward, concise description of the Respondent’s capabilities to satisfy the conditions and requirements of this ITN. Fancy bindings, colored displays, and promotional material are not desired. Emphasis in each offer must be on completeness and clarity of content. To expedite the evaluation of offers, it is desired and beneficial to evaluators that Respondents follow the format and instructions contained herein. UCF is not liable for any costs incurred by any Respondent in responding to this ITN including, without limitation, costs for oral presentations requested by UCF, if any.

2.13 Restricted Discussions/Submissions

From the date of issuance of the ITN until UCF takes final agency action, the Respondent shall not discuss the offer or communicate with any UCF employees, agents, representatives, Evaluation Committee members or representatives of UCF except as expressly requested by UCF in writing. Violation of this restriction may result in REJECTION of the Respondent’s offer.

2.14 Verbal Instructions Procedure

No negotiations, decisions, or actions shall be initiated or executed by the Respondent as a result of any discussions with any UCF employee. Only those communications that are in writing from the authorized UCF representative identified in Section 2.1. of this ITN that have been approved in writing by UCF’s President or the President’s designee shall be considered as a duly authorized expression on behalf of UCF. Only communications/inquiries from the Respondent that are signed in writing and delivered on a timely basis, i.e., not later than **5:00 PM** on **April 27, 2015**, will be recognized by UCF as duly authorized expressions on behalf of the Respondent.

2.15 State Licensing Requirements

To the extent applicable, Respondent shall have all appropriate licenses to conduct business in the State of Florida and Orange County at or prior to award of a contract resulting from this competitive solicitation; Respondent is to provide proof of such to UCF as a condition of award of a contract. If Respondent contemplates the use of subcontractors, the Respondent is responsible for ensuring that all subcontractors are registered with the State of Florida in accordance with Chapter 607 or 620, Florida Statutes. For additional information, the Respondent shall contact the Florida Secretary of State’s Office.

2.16 Parking

Respondent/Vendor(s) shall ensure that all vehicles parked on campus for purposes relating to work resulting from an agreement shall have proper parking permits. This applies to all personal vehicles and all marked and unmarked company vehicles that will be on any University campus for one (1) day or more or on a recurring basis. All such vehicles must be registered with University’s Parking Services Department, and parking permits must be purchased by the Respondent/Vendor.

Respondent's/Vendor's vehicle(s) shall observe all parking rules and regulations. Failure to obtain parking permits, properly display them, and otherwise comply with all of University's parking rules and regulations could result in the issuance of a parking ticket and/or towing at the expense of Respondent/Vendor or Respondent's/Vendor's employees. For additional parking information or information regarding parking fees/rates, contact University's Parking Services Department at (407) 823-5812 or online at <http://parking.ucf.edu>.

UCF will, at UCF’s sole discretion, determine whether a deviation is material. Any deviation found by UCF to be material shall result in the rejection of the offer.
- B. The words “should” or “may” are equivalent in this ITN and indicate very desirable conditions, or requirements but are permissive in nature. - C. The Respondent must comply with the instructions cited in Section 2.3. Also, the Respondent must initial the designated sections set forth on Appendix II, indicating that the Respondent has either understood and agreed to or disagreed with each particular section listed on Appendix II. The parties shall comply with all applicable U.S. export control laws and regulations, including but not limited to the International Traffic in Arms Regulations (ITAR), 22 CFR Parts 120 through 130, the Export Administration Regulations (EAR), 15 CFR Parts 730 through 799 and/or other restrictions imposed by the Treasury Department's Office of Foreign Asset Controls (OFAC), in the performance of a contract resulting from this ITN. The parties agree that no technology, related data or information will be exchanged or disseminated under such a contract nor any collaboration conducted pursuant to such a contract, which are export controlled pursuant to the export control laws of the United States, including the EAR and the ITAR and any other applicable regulations.

The Parties agree that the Payee will not provide the University with any ITAR or EAR restricted technology and/or related data, and that any ITAR or EAR restricted technologies and/or data produced in furtherance of a contract resulting from this ITN will be in the exclusive possession of the Payee and at no time will any export controlled technologies, related data, or information be intentionally or inadvertently transferred to the University, its facilities, labs, staff, researchers, employees, officers, agents, servants or students in the performance of such a contract.

If the Payee wishes to disclose export controlled technology or technical data to the University, the Payee will, prior to disclosing any information, technical data or source code that is subject to export controls under federal law, notify the University in writing that the material is export controlled and shall identify the controls that apply. The University shall have the right to decline or limit (a) the receipt of such information, and (b) any task requiring receipt of such information. In the event the Payee sends any such technical data or product that is subject to export control, without notice of the applicability of such export control, the University has the right to immediately terminate a contract resulting from this ITN. The Payee understands and agrees that to the extent the Payee's personnel have access to work or materials subject to U.S. export controls while on University property, such personnel will meet all federal export control regulatory requirements or have the appropriate U. S. government approval.

2.50 Nonnegotiable Conditions and Requirements

The University seeks to award a contract from this ITN that complies with applicable law and will be both fair and reasonable to all parties, protecting the best interest of the University, its Board of Trustees, faculty, staff and students. With that goal in mind, we have developed a list of terms and conditions that are either required by law and are thus non-negotiable or have been deemed to be important to the University's interests and are thus non-negotiable. Any discussions seeking to alter or remove such a term or condition from any contract resulting from this ITN shall not be granted to any Respondent. The non-negotiable terms and conditions are listed on Appendix II of this document, and identified with ****non-negotiable****. Respondents that disagree with any of those "non-negotiable" terms and conditions should forego submitting an offer because said offer shall be rejected as nonresponsive to this ITN. Failure to submit Appendix II with the offer constitutes grounds for rejection of the offer and UCF shall have the right to reject said offer, at UCF's sole discretion.

2.51 Additional Quantities

The University reserves the right to increase or decrease total quantities as necessary. The University may place additional orders for the same commodities/services solicited under this ITN within 180 days after expiration of the contract resulting from this ITN. Total additional quantities, if any, are unknown.

2.52 Family Educational Rights and Privacy Act

Licensor acknowledges that Licensee has a duty to maintain the privacy of student records, including without limitation education records as defined by the Family Educational Rights and Privacy Act (20 USC § 1232g; 34 CFR Part 99) ("FERPA"), and further acknowledges that as a contractor to whom Licensee has outsourced certain institutional services or functions:

- B. Licensor is performing an institutional service or function that has been outsourced by Licensee and for which Licensee would otherwise use its employees;

- C. Licensors are under the direct control of Licensee with respect to the use and maintenance of education records, as defined by FERPA;
- D. Licensors are subject to all FERPA requirements governing the use and re-disclosure of personally identifiable information from education records, including without limitation the requirements of 34 CFR § 99.33(a);
- E. Even in circumstances that might justify an exception under FERPA, Licensors may not disclose or re-disclose personally identifiable information unless Licensee has first authorized in writing such disclosure or re-disclosure; and
- F. Licensors will not use any personally identifiable information acquired from Licensee for any purpose other than performing the services or function that are the subject of this agreement.

APPENDIX III

CERTIFICATE OF NON-SEGREGATED FACILITIES

We, ALOMA PRINTING certify to the University of Central Florida that we do not and will not maintain or provide for our employees any segregated facilities at any of our establishments, and that we do not and will not permit our employees to perform their services, under our control, where segregated facilities are maintained. We understand and agree that a breach of this certification is a violation of the Equal Opportunity clause required by Executive order 11246, amended.

As used in this certification, the term "segregated facilities" means any waiting rooms, work areas, rest rooms and wash room, restaurants and other eating areas, time clocks, locker rooms and other storage or dressing areas, parking lots, drinking fountains, recreation or entertainment areas, transportation and housing facilities provided for employees which are segregated by explicit directive or are in fact segregated on the basis of race, creed, color or national origin, because of habit, local custom or otherwise.

We, further, agree that (except where we have obtained identical certifications from offered subcontractors for specific time periods) we will obtain identical certifications from offered subcontractors prior to the award of subcontracts exceeding \$10,000 which are not exempt from the provisions of the Equal Opportunity Clause; that we will retain such certification in our files; and that we will forward the following notice to such offered subcontractors (except where the offered subcontractors have submitted certifications for specific time periods):

NOTE TO PROSPECTIVE SUBCONTRACTORS OR REQUIREMENTS FOR CERTIFICATIONS OF NON-SEGREGATED FACILITIES. A Certificate of Non-segregated Facilities, as required by the 9 May 1967 order on Elimination of Segregated Facilities, by the Secretary of Labor (32 Fed. Reg. 7439, 19 May 1967), must be submitted prior to the award of a sub-contract exceeding \$10,000 which is not exempt from the provisions of the Equal Opportunity clause. The certification may be submitted either for each sub-contract or for all subcontracts during a period (i.e. quarterly, semiannually, or annually).

The Contractor and subcontractors shall abide by the requirements of 41 CFR, Section 60-1.4(a), 60-300.5(a) and 60-741.5(a). These regulations prohibit discrimination against qualified individuals based on their status as protected veterans or individuals with disabilities, and prohibit discrimination against all individuals based on their race, color, religion, sex, or national origin. Moreover, these regulations require that covered prime contractors and subcontractors take affirmative action to employ and advance in employment individuals without regard to race, color, religion, sex, national origin, protected veteran status or disability.

NOTE: Whoever knowingly and willfully makes any false, fictitious, or fraudulent representation may be liable to criminal prosecution under 18 U.S.C. 1001.

APPENDIX III

SEC. 202. Except in contracts exempted in accordance with Section 204 of this Order, all Government contracting agencies shall include in every Government contract hereafter entered into the following provisions:

During the performance of this contract, the contractor agrees as follows:

- (1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, or national origin. Such action shall include, but not be limited to the following: employment, upgrading demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the contracting officer setting forth the provisions of this nondiscrimination clause.
- (2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex or national origin.
- (3) The contractor will send to each labor union or representative of workers with which the contractor has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contracting officer, advising the labor union or worker's representative of the contractor's commitments under Section 202 of Executive Order No. 11246 of September 24, 1965, and shall post copies of notice in conspicuous places available to employees and applicants for employment.
- (4) The contractor will comply with all provisions of Executive Order No. 11246 of September 24, 1965 and of the rules, regulations, and relevant orders of the Secretary of Labor.
- (5) The contractor will furnish all information and reports required by Executive Order No. 11246 of September 24, 1965, and by the rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the contracting agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations and orders.
- (6) In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of such rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts in accordance with procedures authorized in Executive Order No. 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoiced as provided in Executive Order No. 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.
- (7) The contractor will include the provision of Paragraphs (1) through (7) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to Section 204 of Executive Order No. 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase orders the contracting agency may direct as a means of enforcing such provisions including sanctions for noncompliance. Provided, however, that in the event the contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the contracting

agency, the contractor may request the United States to enter into such litigation to protect the interest of the United States.

SEC. 402 Affirmative Action for Disabled Veterans and Veterans of the Vietnam Era:

- (1) The contractor agrees to comply with the affirmative action clause and regulation published by the US Department of Labor implementing Section 402 of the Vietnam Era Veteran's Readjustment Assistance Act of 1974, as amended, and Executive Order 11701, which are incorporated in this certificate by reference.

Aloma Printing constantly upgrades and updates its equipment and software. A look at the equipment list (all Heidelberg presses) is one example of the high quality steps taken to better serve our print customers.

Our commitment to serve the many departments of the University of Central Florida is one we take seriously. We can meet or exceed the proof/print and delivery times as indicated in the ITN of Printing Services for the University of Central Florida.

Preparation of files should be 1-Up (actual size), exported as a high-resolution PDF. Or, provide native files from InDesign, Illustrator, Photoshop, Quark or Pagemaker. Please add bleed, CMYK or spot color designation, while also including all fonts and links necessary for production. A black and white or color laser print with crop and printer's marks should accompany each job for verification and quality control purposes.

Aloma Printing is located at 4420 Metric Drive, Suite D, Winter Park, approximately six miles from the UCF Main Campus.

ADDENDUM

IMPORTANT DOCUMENT – INVITATION TO NEGOTIATE ADDENDUM

ITN NUMBER: 1430BCSA OPENING DATE & TIME: May 14, 2015 @ 2:00p.m.

ITN TITLE: PRINT & DIGITAL COMMUNICATIONS

ADDENDUM NUMBER: 1 ADDENDUM DATE: May 4, 2015

Purpose of the addendum is to:

1. Provide answers to questions asked during the open question period

Answers to Questions (ITN – 1430BCSA Print & Digital Communications)

1. Do you have any specific types of "samples" that you and your team would like to receive with this bid package?

UCF Answer: We handle all types of projects for the campus community including brochures, publications, mailers, presentation folders, etc. Samples provided should show your company's capabilities, quality and creativity.

2. Can all 5 thumb drive be placed in one box/envelope to be shipped?

UCF Answer: Yes, the 5 thumb drives and the 1 original signed hard copy can be shipped together in the same package.

3. The question we have is in regards to the number of copies that need to be supplied under section 2.6 Offer/Proposal Opening Date.

It states the following:

"The offer should be submitted in six (6) copies; one (1) hard copy and five (5) electronic versions on either disc or thumb drive).

When the files are put on the thumb drive, do you want them to be labeled 1-5? They are all going to be the same paperwork. Was it supposed to be 5 hard copies and 1 electronic copy?

UCF Answer: Five (5) separate thumb drives or CDs will need to be submitted with the exact same information/paperwork as the 1 original hard copy with original signatures.

Purchasing Department

4. I do not see anywhere that you are requesting anything further than just basic company information and capabilities, is that correct?

UCF Answer: Please refer particularly to sections 1.1, 1.3, 3.1, 3.2 and Appendix I.

5. We are limited to large format printing at our location here, but we do have a local company that we have used to save shipping from NJ. Would it be OK to forward this packet to them, so they can quote separately on the items that they have capabilities for?

UCF Answer: They may submit a package. The ITN is posted on the UCF Purchasing website at www.purchasing.ucf.edu.

6. If I am understanding it correctly UCF is only seeking commodity printing as described in section 3.2? (4-color process)

UCF Answer: Please refer to section 1.1, 3.2.

PLEASE ACKNOWLEDGE RECEIPT OF THIS ADDENDUM AND RETURN IT WITH YOUR BID. FAILURE TO SIGN AND RETURN WITH YOUR BID COULD RESULT IN REJECTION OF YOUR BID.
