1.0 INTRODUCTION

1.1. *Statement of Objective*

The objective of this Request for Proposal (RFP) is to enable the University of Central Florida (UCF) to enter into agreements with telecommunications carriers for dark fiber services. However, the primary location is the Orlando main campus. This RFP is to not supersede or interfere with UCF's current Master WAN Agreements established with many carriers under RFP 8012ZCSA in the year 2008.

Even though this RFP does not seek pricing from Proposers, each Proposer must respond to the specific technology being addressed in this RFP so that we can assess each Proposer's service capabilities. Once Dark Fiber Agreements are in place for **each approved Proposer** and a service need arises, UCF will issue an informal request for price quotes to service providers awarded contracts for dark fiber services. From the results of the price quotes, UCF will select the service provider that meets the particular dark fiber need and situation. This Dark Fiber Service RFP creates a suite of partners allowing UCF to pick and choose the right fit via informal price quotes. UCF cannot guarantee any level of service commitments as the result of establishing dark fiber agreements with service providers.

The term of the resultant Master contract(s), if any, will begin on the date when the proposer makes the fiber ready and UCF accepts. The first term will be for One (1) Five (5) year period with three (3) additional five-year renewal options (See Section 2.21).

The Successful Proposer, if any, will enter into a contract with UCF that provides for the performance of all mandatory terms, conditions and requirements in this RFP and any proposed conditions and requirements that UCF prefers in this RFP or that UCF determines are in UCF's best interest.

1.2. *Contract Award*

- A. UCF intends to award a contract or contracts resulting from this solicitation to the responsible offeror(s) whose proposal represents the best value after evaluation in accordance with the criteria in this solicitation.
- B. UCF may reject any or all proposals if such action is in UCF's best interest.
- C. UCF may waive informalities and minor irregularities in proposals received.
- D. UCF reserves the right to evaluate proposals and award a contract without negotiations with offerors. Therefore, the offeror's initial proposal should contain the offeror's best terms from a cost or price (not solicited at this time) and technical standpoint.
- E. UCF reserves the right to conduct negotiations with the highest ranked offeror(s).
- F. UCF reserves the right to make an award on any item for a quantity less than the quantity offered, at the unit cost or prices offered, unless the offeror specifies otherwise in the proposal.
- G. UCF reserves the right to make multiple awards if, after considering the additional administrative costs, it is in UCF's best interest to do so.
- H. A written notice of award will be sent to the successful offeror(s).

1.3. UCF Environment

The University of Central Florida (UCF), a member of the State University System of Florida, located in Orlando, Florida, is an urban, public, multi-campus institution granting bachelors, masters and doctoral degrees. The University employs approximately 9,000 full time employees at the main campus. UCF has 56,000+ students currently enrolled which makes UCF the largest university in Florida and the second largest in the United States.

UCF shall not accept or consider any written or other communications and/or inquiries (except a Proposal) made between the date of this deadline and the posting of an award, if any, under this RFP.

UCF also reserves the right and sole discretion to REJECT any proposal at any time on grounds that include, without limitation, either that a proposal is nonresponsive to the RFP or is incomplete or irregular in any way, or that a responsive proposal is not in UCF’s best interest.

2.3. Proposer Communications and/or Inquiries

- A. UCF is not liable for interpretations/misinterpretations or other errors or omissions made by the Proposer in responding to this RFP. The Proposer shall examine this RFP to determine if UCF's conditions and requirements are clearly stated. If, after examination of the various conditions and requirements of this RFP, the Proposer believes there are any conditions or requirements which remain unclear or which restrict competition, the Proposer may request, in writing, that UCF clarify or change condition(s) or requirement(s) specified by the Proposer. The Proposer must provide the Section(s), Subsection(s), Paragraph(s), and page number(s) that identify the conditions or requirements questioned by the Proposer. The Proposer also must provide detailed justification for a change, and must recommend specific written changes to the specified condition(s) or requirement(s). Requests for changes to this RFP must be received by UCF not later than the date shown in Section 2.2., entitled "Calendar of Events," for the submittal of written communications and/or inquiries. UCF shall not make any changes to any of the non-negotiable terms and conditions. The non-negotiable terms and conditions are indicated on Appendix II. Requests for changes to the non-negotiable provisions of this RFP shall automatically be rejected. Requests for changes to anything other than the non-negotiable provisions of this RFP may or may not be accepted by UCF and may or may not be negotiated by UCF, all at UCF's sole discretion.
- B. Any Proposer disagreeing with any terms and conditions set forth in this RFP shall indicate on Appendix II, Terms and Conditions Supplemental Proposal Sheet, the specific RFP section(s) the Proposer disagrees with and shall provide a clear and detailed reason for the disagreement and a solution to the disagreement, in his/her proposal, all PRIOR TO the deadline stated in Section 2.2 "Calendar of Events." UCF may or may not accept or agree to negotiate any of the terms and conditions that Proposers indicated as disagreeing with, all at UCF's sole discretion. The indication of disagreement with any non-negotiable terms and conditions shall be automatically rejected.**
- C. Failure to submit Appendix II and clearly indicating which terms and conditions the Proposer agrees and disagrees with (i.e. failure to initial the designated sections set forth on Appendix II, indicating that the Proposer has either understood and agreed to or disagreed with each particular section listed on Appendix II) and/or clear and detailed reasons for the disagreement, with the proposal, all prior to the deadline stated in Section 2.2. "Calendar of Events," shall be grounds for rejection of that proposal, at UCF's sole discretion. UCF may or may not accept and/or negotiate any such terms and conditions that the Proposer disagreed with. If UCF decides not to accept any of the terms and conditions the Proposer disagreed with, UCF shall have the right, at UCF's sole discretion to exercise its right to reject the tentative awardee's proposal and proceed to the next highest ranked proposer. As noted above, the disagreement with any non-negotiable terms and conditions by the Proposer shall be automatically rejected.**

- D. UCF shall at its sole discretion determine what requested changes to this RFP and the resulting agreement are acceptable. Non-negotiable terms and conditions, as indicated on Appendix II will always stay as they are and any requested changes to such clauses shall automatically be rejected. UCF shall issue an Addendum reflecting the acceptable changes to this RFP, if any, which shall be sent to all Proposers as specified in Section 2.1.
- E. Any communications, questions and/or inquiries from the Proposer concerning this RFP in any way must be submitted in writing to the individual identified in Section 2.1 not later than **April 15, 2011 at 4:00p.m.** Eastern Time as set forth in the Calendar of Events. 2.6. Proposal Due/Opening Date

Proposer's response to this RFP shall be prepared in accordance with Section 3.0, "Required Proposal Format". Proposals are due at the time and date specified in Section 2.2, "Calendar of Events" and must be received by UCF's Authorized Representative in UCF's Purchasing Department, Orlando Tech Center, 12479 Research Parkway, Orlando, FL 32826, no later than **May 25, 2011 at 2:00pm** according to the time clock in UCF's Purchasing Department. At **May 25, 2011 at 2:00pm**, all timely proposals will be opened for the sole purpose of recording the names of the Proposers submitting written proposals.

If Proposer elects to mail in his/her proposal package, the Proposer must allow sufficient time to ensure UCF's proper receipt of the proposal package by the time specified above. 2.7. Section Not Used

2.8. Evaluation Criteria and Selection Process

- A. UCF reserves the right to conduct negotiations if the decision maker (Vice Provost for Academic Affairs or his written designee) with the advice and consent of the Purchasing Director determines negotiations to be in the best interest of the university. Discussions with offerors after receipt of a proposal do not constitute a rejection, counteroffer or acceptance by UCF.
- B. UCF reserves the right to conduct negotiations with the highest ranked offeror(s). In the event the decision maker determines it to be in UCF's best interest to enter into negotiations, he/she after receiving the advice and consent of the Purchasing Director shall:
1. Establish an evaluation committee tailored for the particular acquisition that includes appropriate expertise to ensure a comprehensive evaluation of proposals. The committee will review all responsive proposals and develop a ranked order of offerors based on the points given each evaluation criteria contained herein;
 2. Develop the acquisition plan (strategy to award with or without negotiations) after review of proposals;
 3. Ensure consistency among the solicitation requirements, notices to offerors, proposal preparation instructions, evaluation criteria, solicitation provisions or contract clauses, and data requirements;
 4. Ensure that proposals are evaluated based solely on the evaluation criteria contained in the solicitation;
 5. Consider the recommendations of the evaluation committee in determining which proposer(s) to enter into negotiations; and
 6. Select the negotiation team. This can be the evaluation team or any other individual(s) the decision maker deems necessary for the acquisition. The negotiation team will invite the highest ranked offeror(s) falling within the desired competitive range to enter into negotiations.
- C. All proposals shall be initially evaluated based on weighted criteria set forth in the table below by members of an evaluation committee. Such committee shall consist of three (3) or more individuals who have expertise regarding, or some experience with, the subject matter of the RFP or, if none, then individuals who could be characterized as recipients, beneficiaries, or users of the RFP's subject matter. The Vice Provost or his designee will appoint the evaluation committee members. Committee members, at the discretion of the Vice Provost or his written designee, shall have the option to meet as a group any time during formulation of the specifications and solicitation stage to discuss and correct any concerns and ambiguities of the solicitation and specifications. This privilege shall be rescinded upon opening of the proposals. After proposal opening, each evaluation committee member shall function independently of all other persons including, without limitations, the other committee members, and, throughout the entire evaluation process, each evaluation committee member is strictly prohibited from meeting with or otherwise discussing this RFP and any aspect thereof including, without limitation, the proposals and their content with any other individual whatsoever. Each evaluation committee member shall conduct an independent evaluation of the proposals in accordance with the weighted evaluation criteria set forth in the following Table A:

Table A – Evaluation of Responses

Criteria	Max Points
1. EXPERIENCE AND QUALIFICATIONS OF PROPOSER (Section 3.0) a. Ability of Proposer’s organization to meet UCF’s needs	10
b. Experience in providing Dark Fiber (Section 3.0 and 4.1)	10
2. RESPONSE TO GENERAL REQUIREMENTS	5
3. RESPONSES TO SPECIFICATIONS AS IT PERTAINS TO THE SERVICE BEING EVALUATED (Section 4.0)	35
4. OVERALL RESPONSIVENESS OF PROPOSAL TO SATISFY SCOPE OF WORK AND GENERAL CONDITIONS	10
5.SUPPORT CAPABILITIES, I.E., REPAIR/MAINTENANCE RESPONSIVENESS, TECHNICIANS, CUSTOMER SUPPORT (Section 5.0)	15
6. CONFORMANCE TO RFP’S PREFERRED CONDITIONS AND REQUIREMENTS (FAILURE TO CONFORM TO RFP’S MANDATORY CONDITIONS AND REQUIREMENTS MAY RESULT IN REJECTION OF PROPOSAL) Section 2.0	15
Evaluation of Responses Point Total	100

Each evaluation committee member must independently score, in writing, each proposal on the form depicted in **APPENDIX I**. Each evaluation committee member shall enter comments, if any, regarding the proposal and then sign the completed score forms and deliver them, in a sealed envelope, to **Greg Robinson**, who will forward copies to the Vice Provost for Academic Affairs, or his designee. At the time of such delivery to **Greg Robinson**, the evaluation committee member shall cease to participate further in this RFP process unless expressly requested otherwise by Vice Provost for Academic Affairs, or his designee.

The Vice Provost for Academic Affairs or his designee shall review in the manner and to the extent he deems reasonable under the circumstances, the RFP, the proposals, and committee members’ scoring forms. While not bound to them, the Vice Provost for Academic Affairs, or his designee may give deference to the scoring forms. Based on what the Vice Provost for Academic Affairs or his designee determines is in the best interest of UCF, the Vice Provost for Academic Affairs, or his designee will then make the final decision whether or not to recommend the award of a contract to a Proposer to this RFP, negotiate with the highest ranked proposer(s) or cancel the RFP.

The Vice Provost for Academic Affairs or his designee may at any time during this RFP process, assign one (1) or more UCF staff member(s) to assist the Vice Provost for Academic Affairs, or his designee review prior to his/her decision-making in this process. UCF is not obligated to make an award under or as a result of this RFP or to award such contract, if any, on the basis of lowest cost or highest commission proposed. UCF reserves the right to award such contract, if any, to the Proposer(s) submitting a proposal that UCF, at its sole discretion, determines is in UCF’s best interest.

2.9. Posting of Recommended Selection

The recommendation to award a contract, if any, to a Proposer(s) to this RFP will be posted for review by interested parties in the Purchasing Department and will remain posted for a period of seventy-two (72) hours (three (3) business days).

- A. If the Proposer desires to protest the recommendation to award a contract, if any, the Proposer must file with UCF:
 - 1. A written notice of intent to protest within seventy-two (72) hours (three (3) business days) of the posting of the recommended award. UCF shall not extend or waive this time requirement for any reason whatsoever.
 - 2. A formal written protest by petition within ten (10) calendar days of the date on which the notice of intent to protest is filed. UCF shall not extend or waive this time requirement for any reason whatsoever.
- B. Failure to file in writing either a notice of intent to protest or a formal protest by petition within the time prescribed in UCF Regulation 7.130(5), shall constitute a waiver of proceedings under that regulation.
- C. A formal written protest by petition must be accompanied by a Protest Bond payable to UCF in the amount of \$10,000 or 10% of UCF's estimate of the total value of the proposed contract, whichever is less. The form of the Protest Bond shall be a cashier's check or money order made payable to UCF.
- D. In addition to all other conditions and requirements of this RFP, UCF shall not be obligated to pay for information obtained from or through the Proposer.

2.10. Proposal Validity Period

Any submitted proposal, shall in its entirety, remain a valid proposal for 120 days after the proposal submission date.

2.11. Disposition of Proposals; Florida Public Records Law Compliance

All proposals become the property of the State of Florida, and the State of Florida shall have the right to use all ideas, and/or adaptations of those ideas, contained in any bid/proposal ("bid/proposal" will henceforth be synonymous with "proposal") received in response to this solicitation. Any parts of the proposal or any other material(s) submitted to UCF with the proposal that are copyrighted or expressly marked as "confidential", "proprietary", or "trade secret", will only be exempted from the "open records" disclosure requirements of Chapter 119, Florida Statutes, if Florida law specifically recognizes these materials as exempt from disclosure. Thus, the mere designation as "confidential", "proprietary", or "trade secret" by a vendor does not ensure that such materials will be exempt from disclosure. In the absence of a specific Florida statute exempting material from the public records law, UCF is legally obligated to produce any and all public records produced or received in the course of conducting university business, irrespective of any designation by the vendor of those same records as

“confidential”, “proprietary”, or “trade secret.” The ultimate determination of whether a vendor’s claim of “confidential,” “proprietary” or “trade secret” will support an exemption from disclosure will be made by UCF or, potentially, a court. UCF’s selection or rejection of a proposal will not affect this provision.

2.12. Economy of Presentation

Each proposal shall be prepared simply and economically, providing a straightforward, concise description of the Proposer’s capabilities to satisfy the conditions and requirements of this RFP. Fancy bindings, colored displays, and promotional material are not desired. Emphasis in each proposal must be on completeness and clarity of content. To expedite the evaluation of proposals, it is **mandatory** that Proposers follow the format and instructions contained herein. UCF is not liable for any costs incurred by any Proposer in responding to this RFP including, without limitation, costs for oral presentations requested by UCF, if any.

2.13. Restricted Discussions/Submissions

From the date of issuance of the RFP until UCF announces its intent to negotiate, the Proposer shall not discuss the proposal or any part thereof with any employee, agent, or representative of UCF except as expressly requested by UCF in writing. Violation of this restriction will result in REJECTION of the Proposer's proposal.

2.14. Verbal Instructions Procedure

No negotiations, decisions, or actions shall be initiated or executed by the Proposer as a result of any discussions with any UCF employee. Only those communications that are in writing from the authorized UCF representative identified in Section 2.1. of this RFP that have been approved in writing by UCF’s President or the President’s designee shall be considered as a duly authorized expression on behalf of UCF. Only communications/inquiries from the Proposer in writing and delivered on a timely basis, i.e., not later than April 15, 2011 (questions) and May 25, 2011 (proposal opening), will be recognized by UCF as duly authorized expressions on behalf of the Proposer.

2.15. State Licensing Requirements

All corporations seeking to do business with the State of Florida shall, at the time of submitting a proposal in response to this RFP, either be on file or have applied for registration with the Florida Department of State in accordance with the provisions of Chapter 607, Florida Statutes. UCF will, at UCF's sole discretion, determine whether a deviation is material. Any deviation found by UCF to be material shall result in the rejection of the proposal.
- B. The words "should" or "may" are equivalent in this RFP and indicate very desirable conditions, or requirements but are permissive in nature. Deviation from, or omission of, such a desirable condition or requirement will not in and of itself cause automatic rejection of a proposal, but may result in the proposal being considered as not in the best interest of UCF. UCF will, at UCF's sole discretion, determine whether a proposal is considered as not in the best interest of UCF and may or may not reject the proposal, all at UCF's sole discretion.
- C. The Proposer must comply with the instructions cited in Section 2.3. Also, the Proposer must initial the designated sections set forth on Appendix II, indicating that Proposer has either understood and

agreed to or disagreed with each particular section listed on Appendix II. - D. The Proposer is solely responsible for the accuracy and completeness of its proposal. Consequently, any proposal by Proposer to limit the Proposer's liabilities to the State or to limit the State's remedies against the Proposer is unacceptable and will result in the REJECTION of the Proposer's proposal.
- B. As an agency of the State of Florida, UCF's liability is regulated by Florida law. - F. Proposers shall identify their company's government classification at time of proposal submittal (See UCF Form RFP/CS: RFP acknowledgement cover page). Proposer's identity will not foster special consideration during this RFP process; this is only for informational purposes for reporting.

2.36. Waiver of Rights and Breaches

No failure or delay by a party hereto to insist on the strict performance of any term of a contract resulting from this RFP, or to exercise any right or remedy consequent to a breach thereof, shall constitute a waiver of any breach or any subsequent breach of such term. No waiver of any breach hereunder shall affect or alter the remaining terms of such a contract, but each and every term of such a contract shall continue in full force and effect with respect to any other then existing or subsequent breach thereof. The remedies provided in such a contract are cumulative and not exclusive of the remedies provided by law or in equity.

2.37. Headings Not Controlling

Headings used in any contract resulting from this RFP are for reference purposes only and shall not be considered to be a substantive part of such contract.

Violation of this section by Proposer shall be grounds for cancellation of such contract. The Proposer also warrants that no person or selling agency has been employed, engaged or retained to solicit or secure any contract resulting from this RFP or any advantage hereunder upon an agreement or understanding for a commission, percentage, brokerage or contingent fee, or in exchange for any substantial consideration bargained for, excepting that which is provided to the Proposer's bona fide employees or to bona fide professional commercial or selling agencies or in the exercise of reasonable diligence should have been known by the State to be maintained by the Proposer for the purpose of securing business for Proposer. In the event of the Proposer's breach or violation of this warranty, UCF shall, subject to Proposer's rights under Chapter 120, Florida Statutes, have the right, at its option, to annul any contract resulting from this RFP without liability, to deduct from the charges otherwise payable by UCF under such contract the full amount of such commission, percentage, brokerage, or contingent fee, and to pursue any other remedy available to UCF under such contract, at law or in equity.

2.39. Employment of Aliens

Any expenses in excess of the prescribed amounts shall be borne by the Proposer.

2.42. Annual Appropriations

The University's performance and obligations under a contract resulting from this RFP are subject to and contingent upon annual appropriations by the Florida Legislature and other funding sources. UCF shall give notice to the selected Proposer(s) of the non-availability of such funds when UCF has knowledge thereof. The University shall be liable only for payment for services satisfactorily rendered/goods satisfactorily delivered and accepted from the date of commencement until the effective date of termination.

Further Explanation: Services to be obtained through this RFP/ITN process are sought by UCF departments where funding is based on research grants or other funding sources. UCF-wide budget cuts may impact departments' ability to continue with carrier provided services. Finally, users may change their mission focus that may not include continuing carrier provided service(s). Because of these circumstances, UCF cannot enter into service contracts or orders that have associated pre-termination fees or penalties.

2.43. Taxes

Attachments and/or addenda may include, but are not limited to UCF's Request for Proposal ("RFP") including all the University's RFP specifications, and the Payee's RFP response. In the event of any conflict or inconsistency between before mentioned documents, the order of precedence is:

At the option of the Vendor/Contractor, the use of the contract resulting from this solicitation may be extended to other governmental agencies, including the State of Florida, its agencies, political subdivisions, counties, and cities. Each governmental agency allowed by the vendor/contractor to use this contract shall do so independent of any other governmental entity. Each agency shall be responsible for its own purchases and shall be liable only for goods or services ordered, received and accepted. No agency receives any liability by virtue of this bid and subsequent contract award.

2.46. Public Entity Crimes

A person or affiliate who has been placed on Florida's convicted vendor list following a conviction for a public entity crime may not submit a bid on a contract to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded, or perform work as a contractor, supplier, subcontractor, or consultant under, a contract with any public entity, and may not transact business with any public entity in excess of the bid limit for that public entity, for a period of thirty-six (36) months from the date of being placed on the convicted vendor list.

2.47. Work For Hire

Any work specifically created for the University under a contract resulting from this RFP by the Payee or anyone working on behalf of the Payee (the term Payee shall encompass both) shall be considered a "work for hire." All designs, prints, paintings, artwork, sketches, etchings, drawings, writings, photographs, or any other work or material or property produced, developed or fabricated and any other property created hereunder, including all material incorporated therein and all preliminary or other copies thereof, (the "Materials") shall become and remain the property of the University, and, unless otherwise specifically set forth herein, shall be considered specially ordered for the University as a "work made for hire," or, if for any reason held not to be a "work for hire," the Payee who created, produced, developed or fabricated the Materials hereunder assigns all of his/her right, title and interest in the Materials to the University.

The University shall own all right, title and interest in the Materials. The Payee agrees upon request to execute any documents necessary to perfect the transfer of such title to the University. The Materials shall be to the University's satisfaction and are subject to the University's approval. The Payee bears all risk of loss or damage to the Materials until the University has accepted delivery of the Materials. The University shall be entitled to return, at the Payee's expense, any Materials which the University deems to be unsatisfactory. On or before completion of the Payee's services hereunder, the Payee must furnish the University with valid and adequate releases necessary for the unrestricted use of the Materials for advertising or trade purposes, including model and property releases relating to the Materials and releases from any persons whose names, voices or likenesses are incorporated or used in the Materials.

The Payee hereby represents and warrants that, (a) all applicable laws, rules and regulations have been complied with, (b) the Payee is free and has full right to enter into this P.O. and perform all of its obligations hereunder, (c) the Materials may be used or reproduced for advertising or trade purposes or any commercial purposes without violating any laws or the rights of any third parties and (d) no third party has any rights in, to, or arising out of, or in connection with the Materials, including without limitation any claims for fees, royalties or other payments.

The Payee agrees to indemnify and hold harmless the University and those acting for or on its behalf, the UCF Board of Trustees, the State of Florida and the Florida Board of Governors and their respective officers, agents, employees and servants from and against any and all losses, claims, damages, expenses or liabilities of any kind, including court costs and attorneys' fees, resulting from or in any way, directly or indirectly, connected with (a) the performance or non-performance of the University's order by the Payee, (b) the use or reproduction in any manner, whatsoever, or (c) any breach or alleged breach of any of the Payee's contracts or representations and warranties herein.

2.48. Export Control

The parties shall comply with all applicable U.S. export control laws and regulations, including but not limited to the International Traffic in Arms Regulations (ITAR), 22 CFR Parts 120 through 130, the Export Administration Regulations (EAR), 15 CFR Parts 730 through 799 and/or other restrictions imposed by the Treasury Department's Office of Foreign Asset Controls (OFAC), in the performance of a contract resulting from this RFP. The parties agree that no technology, related data or information will be exchanged or disseminated under such a contract nor any collaborations conducted pursuant to such a contract, which are export controlled pursuant to the export control laws of the United States, including the EAR and the ITAR and any other applicable regulations.

The Parties agree that the Payee will not provide the University with any ITAR or EAR restricted technology and/or related data, and that any ITAR or EAR restricted technologies and/or data produced in furtherance of a contract resulting from this RFP will be in the exclusive possession of the Payee and at no time will any export controlled technologies, related data, or information be intentionally or inadvertently transferred to the University, its facilities, labs, staff, researchers, employees, officers, agents, servants or students in the performance of such a contract.

If the Payee wishes to disclose export controlled technology or technical data to the University, the Payee will, prior to disclosing any information, technical data or source code that is subject to export controls under federal law, notify the University in writing that the material is export controlled and shall identify the controls that apply. The University shall have the right to decline or limit (a) the receipt of such information, and (b) any task requiring receipt of such information. In the event the Payee sends any such technical data or product that is subject to export control, without notice of the applicability of such export control, the University has the right to immediately terminate a contract resulting from this RFP. The Payee understands and agrees that to the extent the Payee's personnel have access to work or materials subject to U.S. export controls while on University property, such personnel will meet all federal export control regulatory requirements or have the appropriate U. S. government approval.

2.49 Nonnegotiable Conditions and Requirements

The University seeks to award a contract from this RFP that complies with applicable law and will be both fair and reasonable to all parties, protecting the best interest of the University, its Board of Trustees, faculty, staff and students. With that goal in mind, we have developed a list of terms and conditions that are either required by law and are thus non-negotiable or have been deemed to be important to the University's interests and are thus non-negotiable. Any discussions seeking to alter or remove such a term or condition from any contract resulting from this RFP shall not be granted to any Proposer. The non-negotiable terms and conditions are listed on Appendix II of this document, and identified with ****non-negotiable****. Proposers that disagree with any of those "non-negotiable" terms and conditions should forego submitting a proposal because said proposal shall be rejected as nonresponsive to this RFP. Failure to submit Appendix II with the proposal constitutes grounds for rejection of the proposal and UCF shall have the right to reject said proposal, at UCF's sole discretion.

3.0 REQUIRED PROPOSAL FORMAT

3.1. Introduction

The Proposer shall not alter the RFP in any way and shall not reproduce all or any part of the RFP in its proposal document. The contract, if any, resulting from this RFP shall attach the entire RFP and incorporate the RFP by reference.

To facilitate analysis of its proposal, the Proposer must prepare its proposal in accordance with the instructions outlined in this section. If Proposer's proposal deviates from these instructions, such proposal may, at UCF's sole discretion, be REJECTED.

UCF EMPHASIZES THAT THE PROPOSER CONCENTRATE ON ACCURACY, COMPLETENESS, AND CLARITY OF CONTENT. The Proposer must use sections and tabs that are clearly identified and also must number and label all parts, pages, figures, and tables in its proposal. Additional tabs may be appended which contain any other pertinent matters that the Proposer wishes UCF to take into consideration in reviewing the proposal. Proposer's response to this RFP must be sent to UCF's Authorized Representative at the address listed in Section 2.1 above.

Due to the importance of the issues addressed in this RFP, the University requires that the Proposals should include detailed, point-by-point responses. It is recommended that you copy the below sections, complete the areas requiring responses and make those areas separate sections in your proposal response.

3.2. Proposal Sections

The Proposer shall organize its proposal into the following major sections.

3.2.1. Executive Summary

Describe the key elements of your proposal. UCF realizes that not one company would be able to provide all the services as delineated in the RFP. Thus, you must clearly identify the services that you

are capable of providing. Highlight any major features, functions, value-adds, and areas of support that differentiate your service offering from your competitors' offerings.

Proposer Response:

3.2.2. Corporate Profile and Background

Provide an overview and history of your company. Describe the organization of your company that includes organizational structure.

Proposer Response:

3.2.3. Financial Information

Provide financial information on your company (e.g., annual report, 10-K).

Proposer Response:

3.2.4. Reference Accounts

List three accounts with networks similar to UCF needs. University and/or College accounts would be a plus. Proposers must include:

- Company/University name and address
- Network services and length of service

Proposer Response:

3.2.5. Additional Operational Information

UCF is seeking to establish Dark Fiber Service Agreements/contracts with **several carriers**. The use of dark fiber will be primarily used to connect the main campus to remote UCF campuses or other locations to support data connectivity. However, UCF may need to obtain dark fiber between remote locations as well. One example of obtaining dark fiber between remote locations is that UCF may choose to acquire dark fiber between the DataSite Orlando and Level3's point-of-presence in Maitland, Florida. Even though this RFP does not seek pricing from Proposers for dark fiber, this RFP does seek information of each Proposers' service capabilities. This information is used evaluate each Proposers' service and network capabilities and to agree on terms and conditions. Once A Dark Fiber Service Agreement/contract is in place for each Proposer and a service need arises, UCF will issue informal price quotes (via email) to all dark fiber service providers. From the results of the price quotes, UCF

will select the service provider for that particular need, location, and situation.

3.2.6. Customer Premise Equipment

It is the University's policy to purchase and install its own CPE. The University staff will expect selected Proposers to coordinate with our technical staff in accomplishing circuit installation tasks.

Transport Technology	Expected Hand-off to UCF	Proposer's Response
Dark or Dry Fiber	ST, SC, and LC fiber interface with the carrier providing fiber types of either ITU-T G.652 and ITU-T G.655. No other fiber types are acceptable.	

3.2.7. Contract Document Structure

Dark Fiber Agreement: The Dark Fiber Services Agreement is where all the terms and conditions (T&Cs) that are applicable to all services are contained. No other documents whether they are referred to as Service-Specific Attachments, Service Guides, Service Order Attachments, Acceptable Use Policies (AUPs), etc. will contain any additional general provisions (T&Cs) that over-rule the T&Cs contained in the Dark Fiber Services Agreement. The Dark Fiber Services Agreement sets the precedence and is the umbrella document. All other attachments, e.g., Service Guides, AUPs, Service Order Attachments, Service-Specific Attachments, will only contain technical conditions and service level issues pertaining to a dark fiber installation. UCF will not accept, entertain, or seek volume commitments or sub-commitments.

The Dark Fiber Services Agreement is designed to behave as a dark fiber transport umbrella to cover all future dark fiber transport needs and locations. UCF wants to avoid delays in acquiring services caused by traditional bids requiring specific serving locations to be identified in the established contracts. UCF is continually growing and acquiring new buildings and teaching locations. UCF wants to be able to seek services for new locations without having to issue formal bids for each new location.

Service Order Attachment: Once UCF selects a service as a result of the Price Quotes from a carrier holding a Dark Fiber Services Agreement with UCF, UCF expects the carrier to submit a Service-Specific or Service Order Attachment for that service as some locations may have special considerations that would impact the service. This attachment will contain pricing elements/schedules, service description, service level agreement for that service, and service guide material applicable to the particular service/location. No additional T&Cs shall be included.

Thus, after carriers submit informal price quotes for a dark fiber service for a particular locations and need, and UCF selects the carrier to provide this service, UCF will expect the selected carrier to issue a Service-Order Attachment (SOA) and other applicable documents.

UCF should not issue a notice to proceed to any company prior to all applicable contracts/agreements being signed and approved. A company's acceptance of said notice to proceed and the furnishing of services prior to said contracts/agreements being signed and approved will be considered a gift to UCF and the affected company shall receive no payment for said provided services.

4.0. SPECIFICATIONS AND REQUIREMENTS

4.1 *Proposer's Fiber Network Facilities Overview*

Question	Proposer's response
Proposers are to describe how they provision fiber. Any special circumstances or issues?	
Describe the advantages (differentiators) of your Fiber Network that you believe are superior to your competitors	
UCF fully expects that once the fiber is made usable (fusion splicing with no fiber x-connects) by the carrier and UCF accepts and energizes the fiber, the carrier would not be liable for any maintenance issues caused by others. However, what is your repair capability or mobilization when a fiber route is damaged?	
UCF expects that dark fiber cannot be monitored by the provider. However, the provider may have such abilities using advance technologies. Do you have the capability of proactive monitoring to ensure the fiber is operational or may have deteriorated out of spec?	
UCF expects to be notified at least 48 hours before any service effecting maintenance is to be performed.	
UCF expects all maintenance whether service effecting or not be scheduled during non-business hours – preferably between 1AM and 6AM.	
Briefly describe your experience in providing dark fiber services	

4.2 *Dark or Dry Fiber Requirements*

Requirement	Proposer's response
Describe or explain your normal mode of operation in providing and pricing dark fiber to customers. UCF presumes that carriers offering Dark Fiber will have several modes or terms of provisioning, e.g., lease or rent, outright sale, and indefeasible right of use (IRU). Proposers offering dark fiber must indicate the terms very clearly.	

Requirement	Proposer's response
When UCF selects a carrier for dark or dry fiber service, UCF will require the selected carrier to fusion splice the entire route to eliminate or reduce the anomalies in the fiber path. Please respond to this requirement.	
The carrier must test and measure the following optical characteristics and provide UCF the results: Db loss, Kilometers, etc.	

4.3 *Acquiring Services in General*

4.3.1 UCF will issue via e-mails and/or in writing Request for Price Quotes as dark fiber services are needed. Selections will be made primarily on price. However, the past performance of the carrier will influence decisions as well.

4.3.2 Ordering Services

The University considers the installations of selected Proposers' services as very critical. The University does have a few rules that must be followed:

- UCF Telecommunications orders for services can be faxed, mailed, or e-mailed to the selected Proposers for execution of services. The selected Proposers must communicate corrections to UCF Telecommunications if order information is incorrect, or if the carrier requires further clarification. The carrier must respond to UCF Telecommunications in providing an estimated installation date.
- The carrier will forward a Service Order Attachment (SOA) and other service specific documents to Telecommunications. Telecommunications will forward the documents to UCF Legal for review and to UCF Purchasing for execution if any of the documentation requires a UCF signature. Finally, the SOA will be forwarded to the carrier for execution. The carrier is to send a copy (or copies) of fully executed document(s) to Telecommunications. Telecommunications has discovered that some Service providers do not require SOAs in that only a letter written by Telecommunications ordering the service is all that is necessary. This is a simple process and shortens the time frame in getting services installed.
- The University will use its technical staff in performance of the CPE installations and coordinating with selected Proposers. Therefore, communications between both parties are paramount.

4.4 *Installations in General*

UCF fully expects the selected carrier to plan, provision, and install the service as quickly as possible unless UCF provides specific instructions to delay the service for a particular reason.

4.4.1 Customer Support

Requirement	Proposer's response
-------------	---------------------

Requirement	Proposer's response
Identify the individual in your organization who will act as a focal point for UCF service and order activities.	
Include an organizational chart depicting your proposed, including titles and functional roles, and any subcontractors.	
Describe your escalation procedure for addressing problems.	

4.4.2 Trouble Reporting and Problem Resolution

Question	Proposer's response
Do you provide problem resolution 24 hours a day, seven days a week?	
What are your procedures for trouble reporting and escalation?	
UCF requires trouble resolution within four (4) hours of being reported. Is this feasible?	
How many technicians reside locally and are trained in dark fiber restoration?	

4.5 Proposer's Intent to Offer Complete Services in General

It is understood that the Proposer hereby agrees to be solely responsible for all services that it proposes. Notwithstanding the details present in this document, it is the responsibility of the Proposer to verify completeness and suitability to meet the intent of this RFP.

The Proposer shall bear full responsibility that its proposal meets applicable FCC and NEC requirements.

CERTIFICATE OF NON-SEGREGATED FACILITIES

We, _____ certify to the University of Central Florida that we do not and will not maintain or provide for our employees any segregated facilities at any of our establishments, and that we do not and will not permit our employees to perform their services, under our control, where segregated facilities are maintained. We understand and agree that a breach of this certification is a violation of the Equal Opportunity clause required by Executive order 11246 of 24 September 1965.

As used in this certification, the term "segregated facilities" means any waiting rooms, work areas, rest rooms and wash room, restaurants and other eating areas, time clocks, locker rooms and other storage or dressing areas, parking lots, drinking fountains, recreation or entertainment areas, transportation and housing facilities provided for employees which are segregated by explicit directive or are in fact segregated on the basis of race, creed, color or national origin, because of habit, local custom or otherwise.

We, further, agree that (except where we have obtained identical certifications from proposed subcontractors for specific time periods) we will obtain identical certifications from proposed subcontractors prior to the award of subcontracts exceeding \$10,000 which are not exempt from the provisions of the Equal Opportunity Clause; that we will retain such certification in our files; and that we will forward the following notice to such proposed subcontractors (except where the proposed subcontractors have submitted certifications for specific time periods):

NOTE TO PROSPECTIVE SUBCONTRACTORS OR REQUIREMENTS FOR CERTIFICATIONS OF NON-SEGREGATED FACILITIES. A Certificate of Non-segregated Facilities, as required by the 9 May 1967 order on Elimination of Segregated Facilities, by the Secretary of Labor (32 Fed. Reg. 7439, 19 May 1967), must be submitted prior to the award of a sub-contract exceeding \$10,000 which is not exempt from the provisions of the Equal Opportunity clause. The certification may be submitted either for each sub-contract or for all subcontracts during a period (i.e. quarterly, semiannually, or annually).

NOTE: Whoever knowingly and willfully makes any false, fictitious, or fraudulent representation may be liable to criminal prosecution under 18 U.S.C. 1001.

APPENDIX III
CERTIFICATE OF NON-SEGREGATED FACILITIES
SUBPART - CONTRACTOR'S AGREEMENTS

SEC. 202. Except in contracts exempted in accordance with Section 204 of this Order, all Government contracting agencies shall include in every Government contract hereafter entered into the following provisions:

During the performance of this contract, the contractor agrees as follows:

- (1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, or national origin. Such action shall include, but not be limited to the following: employment, upgrading demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the contracting officer setting forth the provisions of this nondiscrimination clause.
- (2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex or national origin.
- (3) The contractor will send to each labor union or representative of workers with which the contractor has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contracting officer, advising the labor union or worker's representative of the contractor's commitments under Section 202 of Executive Order No. 11246 of September 24, 1965, and shall post copies of notice in conspicuous places available to employees and applicants for employment.
- (4) The contractor will comply with all provisions of Executive Order No. 11246 of September 24, 1965 and of the rules, regulations, and relevant orders of the Secretary of Labor.
- (5) The contractor will furnish all information and reports required by Executive Order No. 11246 of September 24, 1965, and by the rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the contracting agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations and orders.
- (6) In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of such rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts in accordance with procedures authorized in Executive Order No. 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoiced as provided in Executive Order No. 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.
- (7) The contractor will include the provision of Paragraphs (1) through (7) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to Section 204 of Executive Order No. 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase orders the contracting agency may direct as a means of enforcing such provisions including sanctions for noncompliance. Provided, however, that in the event the contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the contracting

agency, the contractor may request the United States to enter into such litigation to protect the interest of the United States.

SEC. 402 Affirmative Action for Disabled Veterans and Veterans of the Vietnam Era:

(1) The contractor agrees to comply with the affirmative action clause and regulation published by the US Department of Labor implementing Section 402 of the Vietnam Era Veteran's Readjustment Assistance Act of 1974, as amended, and Executive Order 11701, which are incorporated in this certificate by reference.
