QUESTIONS FOR ITN 1607CCSA – BRAND RESEARCH AND ANALYSIS

1. How often do marketing campaigns change?

ANSWER: That depends on their effectiveness. Could be during the campaign if it's not working well or less frequently if it has been successful.

2. How many are there in a year?

ANSWER: While many campaigns are done via various university departments, the focus for this ITN is for one, multi-faceted yearlong campaign (with annual renewals) emanating from UCF Communications & Marketing

3. Can we get lists of the stakeholders?

ANSWER: Stakeholders are listed in Section 3.2 C: Stakeholders include students/parents and prospective students/parents, alumni, faculty, staff, the community and its leaders, national academic/research peers and government. More specific information related to the stakeholders will be provided to the vendor who is awarded the contract.

4. Do subcontractors also have to conform to requirements?

ANSWER: Yes.

5. Section 3.2 D: Is the \$90,000 budget the annual budget, or the budget for the entire contract with renewals?

ANSWER: \$90,000 is an annual budget.

6. Section 3.2 C, 2nd bullet: Please explain/clarify what is meant by “have an interest in predictive analytics for better messaging and resource management”? What degree or level of predictive analytics is required?

ANSWER: We are interested in gauging how our media mix can be most effectively balanced to achieve our desired results for each target audience.

7. Appendix IV: If our company has not done business in Florida, do we state that here?

ANSWER: Yes

8. Does UCF market in languages other than English? If so, what languages?

ANSWER: A modest portion of UCF marketing is done in Spanish.

9. Is UCF currently running a marketing campaign? Has UCF run a campaign in the past?

ANSWER: Yes and yes.

10. Does UCF have marketing materials they would like evaluated in the research?

ANSWER: We are open to vendor proposals that include message/creative testing.

11. Will UCF identify the designated segments:

1. National academic/research peers?
2. Government officials at the designated levels (i.e., state, county, city)?
3. Community leaders other than government officials?

ANSWER: Yes

12. Whether companies from Outside USA can apply for this? (like, from India or Canada)

ANSWER: Yes

13. Whether we need to come over there for meetings?

ANSWER: Yes

14. Can we perform the tasks (related to RFP) outside USA? (like, from India or Canada)

ANSWER: It depends on the task, but we would consider that.

15. Can we submit the proposals via email?????

ANSWER: No. All proposals are to be submitted into the Bonfire electronic system as instructed on page one (1); Section 2.6 and page 39.

16. The ITN states that the research cost should not exceed \$90,000 per annum. What are our options in case we are not able to cover all the different research projects envisaged in the ITN within the budget?

ANSWER: We ask respondents to detail what they can reasonably accomplish within the budget.

17. We are considering the following three options and would like your guidance:

1. We can propose only the research projects that can be completed within the stipulated budget and leave out the projects that cannot be completed within the allocated budget. In such a case, will our submission be considered incomplete and be subject to rejection?

ANSWER: Not necessarily, however we have to evaluate proposals based upon how well they satisfy our needs within our budget.

2. We can cost each research project required under the ITN individually and let the University decide which research projects they want to include within \$90,000 per annum. Is this acceptable?

ANSWER: Yes, however we have to evaluate proposals based upon how well they satisfy our needs within our budget.

3. We can prioritize the research projects and propose only directional studies for some of the lower priority studies to stay within the budget. In such a case, please let us know which studies can be considered lower priority.

ANSWER: Respondents must measure Net Promoter Score and marketing effectiveness however we have to evaluate proposals based upon how well they satisfy our needs within our budget.

18. The ITN states that the contract could be for 3 years or 5 years. Please let us know if we should propose two different sets of costing based on 3 year or 5 year contract.

ANSWER: The ITN is a 3 year contract with 2 (1) year renewal options which may or may not be exercised by UCF. Please base your proposal on a 3 year contract.

19. Regarding the submission of the proposal and supporting documents, the ITN mentions sending things over in a sealed envelope as well as uploading files in PDF format online. Which option is preferred / required by your team?

ANSWER: All proposals are to be submitted into the Bonfire electronic system as instructed on page one (1); Section 2.6 and page 39.

20. In section 2.15 of the UCF Invitation to Negotiate: Brand Research and Analysis it states "To the extent applicable, Respondent shall have all appropriate licenses to conduct business in the State of Florida and Orange County at or prior to award of a contract resulting from this competitive solicitation; Respondent is to provide proof of such to UCF as a condition of award of a contract." Does this mean that responders must be businesses registered in Orange County?

ANSWER: No.

21. Based on the stated scope of work to monitor perception shifts during marketing campaigns, can you provide guidance on any upcoming / planned major marketing campaigns that the winning agency will be measuring?

ANSWER: We expect to launch a Central Florida media plan in the Spring 2017, though it has not been finalized.

22. In addition to increasing positive perception among stakeholders and their willingness to recommend UCF, are there any other specific goals of upcoming marketing campaigns that we should be aware of (i.e. increased student applications, faculty recruitment, etc.)?

ANSWER: There are complementary student and faculty recruitment goals for the university, as well as fundraising goals and athletic support, though the purpose of this ITN is primarily focused on brand perception.

23. What are some of the limitations of the current brand identity that we should be aware, when we evaluate stakeholders' perceptions?

ANSWER: A challenge for large public universities with a focus on access is a bias that quality is secondary to size.

24. Does the University have a specific requested deliverable for the strategy / recommendations post-research?

ANSWER: If the question is asking if we are looking for things like creative execution, we are not.

25. How will the client stakeholders be involved during our process / is there a requested stakeholder validation process that we should keep in mind?

ANSWER: Proposals may include testing concepts and messaging derived from research.

26. Does the \$90,000 budget include facility rentals and payments or is there an additional budget for these expenses?

ANSWER: The \$90,000 is all inclusive.

27. Does the University have a current agency of record for these services? If yes, who is the agency?

ANSWER: No.

28. Has this research been conducted in the past for UCF? If so, when was the last phase conducted? What was the budget for that research?

ANSWER: UCF has engaged C3 Research and Massey Services in the past. The last phase was 2015. The budget was about \$75,000.

29. Is there an incumbent for this research project?

ANSWER: C3 Research was UCF's most recent brand researcher.

30. Will UCF be able to provide contact info for key stakeholder groups? If so, which ones? And will they provide telephone or email addresses?

ANSWER: Yes, to all but a cross-section of Central Florida community members and prospective students. Also, please refer to question 3.

31. How does UCF define prospective students? High-schoolers interested in UCF specifically, or just high-schoolers who plan on attending a 4-year undergraduate program?

ANSWER: High-schoolers who plan on attending a 4-year undergraduate program, though for our purposes this will largely be limited to the Central Florida region.

32. Is UCF debuting a new marketing campaign?

ANSWER: It will in Spring 2017.

33. Should we just submit the proposal online or is a hard copy also requested?

ANSWER: All proposals are to be submitted into the Bonfire electronic system as instructed on page one (1); Section 2.6 and page 39. Any hard copies of proposals that are received will be refused and returned to sender.

34. Does our firm have to provide a license to conduct business in Florida when submitting the proposal or after the contract is awarded?

ANSWER: please see question 20.

35. Which pages in the Third Party Data Security Assurance Questionnaire does the respondent have to fill out?

ANSWER: All questions must be completed to the best of your knowledge with your proposal.

36. Is there past research on the UCF brand and perceptions? Is this an on-going program with a current vendor partner? Will any prior research be made available to the winning bidder? Will comparisons be made to any previous research?

ANSWER: 1. Yes, there was past research. 2. No, there is no current vendor partner. 3. Yes, prior research will be available. 4. Yes, comparison will be made with prior research.

37. What should be the geographic focus of the research? From the UCF website and other web resources, the 95% of the current student body is from Florida. Is the entire state of Florida the appropriate sampling frame?

ANSWER: We will likely look at Central Florida students, but will consider wider samples.

38. Is ASQ data (Admitted Student Questionnaire – College Board) available to include in the analysis?

ANSWER: We have not traditionally used ASQ, but we are open to it.

39. Will UCF be providing contact lists for the stakeholders referenced in Section 3.2C? If yes, for which groups (i.e., students/parents, prospective students/parents, alumni, faculty, staff etc.)

ANSWER: Please see question 2 and 30.

40. Section 3.2D references overall pricing not to exceed a \$90,000 budget; has the \$90,000 been budgeted annually or is this the total allocated amount over the 3-5 year commitment?

ANSWER: Please see question 5 and 18.

41. How are you defining a prospective student (i.e., what screening criteria would they need to meet)?

ANSWER: Please see question 31.

42. The evaluation criteria lists “previous higher education experience” as an evaluation factor. Could you please elaborate? Specifically, what is the experience the University seeks to identify?

ANSWER: We are interested in whether you previously have had higher education brand clients or does your team have previous experience in higher education marketing.

1.0 INTRODUCTION

1.1 Statement of Objective

The objective of this Invitation to Negotiate (ITN) is to enable the University of Central Florida (UCF) to enter into an agreement with a vendor to provide brand research and analysis.

UCF is looking for a partner to:

- Measure stakeholders' current knowledge, perceptions and relationship with the brand and to monitor shifts during marketing campaigns.
- Measure the effectiveness of its communication and marketing efforts in aiding positive shifts in perception and behavior and provide recommendations for future strategy.
- Measure, via Net Promoter Score, the level of satisfaction and willingness to recommend the university among its stakeholders.

The Successful Respondent, if any, will enter into a contract with UCF that provides for the performance of all terms and conditions set forth in this ITN, unless UCF has agreed to accept or negotiate certain terms and conditions, as described in Section 2.3. Non-negotiable terms and conditions (as indicated on Appendix II) must always be performed by the Respondent.

1.2 Contract Award

UCF intends to award a contract or contracts resulting from this solicitation to the responsible Respondent(s) whose offer(s) represent the best interest to UCF, after evaluation in accordance with the criteria in this solicitation. The Contract will include this solicitation document and the Successful Respondent's proposal, and all the terms and conditions found in any resulting contract. A sample of UCF's standard terms and conditions can be viewed at <http://www.purchasing.ucf.edu>. The Contract will also incorporate any clarifications, and if negotiations are conducted, any additional terms and conditions that are negotiated.

- A. UCF may reject any or all offers if such action is in UCF's best interest.
- B. UCF reserves the right and sole discretion to reject any offer at any time on grounds that include, but are not limited to, Respondent's offer being found to be nonresponsive, incomplete, or irregular in any way, or when Respondent's offer is not in UCF's best interest.
- C. UCF may waive informalities and minor irregularities in offers received.
- D. UCF reserves the right to award a contract without negotiations. Therefore, the Respondent's initial offer should contain the best terms from a cost or price and technical standpoint.
- E. UCF reserves the right to conduct negotiations with the proposer(s) whose proposal may be deemed in the best interest of the university.
- F. UCF reserves the right to make an award on any item for a quantity less than the quantity offered, at the unit cost or prices offered, unless the respondent specifies otherwise in the offer.
- G. UCF reserves the right to make multiple awards if, after considering the additional administrative costs, it is in UCF's best interest to do so.
- H. UCF is not obligated to make an award under or as a result of this solicitation.

1.3 UCF Environment

The University of Central Florida, the nation's second-largest public university with more than 60,000 students, has grown in size, quality, diversity and reputation since its founding in 1963. UCF may or may not accept and/or negotiate any such terms and conditions that the Respondent disagreed with. If UCF decides not to accept any of the terms and conditions the Respondent disagreed with, UCF shall have the right, at UCF's sole discretion to exercise its right to reject the tentative awardee's offer and proceed to the next highest ranked respondent. Any portion of a meeting at which a negotiation with a vendor is conducted pursuant to a competitive solicitation is exempt from s. 286.011 and s. 24(b), Art. I of the State Constitution. Discussions with vendors after receipt of an offer do not constitute a rejection, counteroffer or acceptance by UCF.
- B. UCF reserves the right to conduct negotiations with the offerer(s) whose proposal(s) may represent the best interest of the university. The following is a short overview of some of the decision makers' responsibilities during the solicitation and award process:
1. Establish an evaluation committee tailored for the particular acquisition that includes appropriate expertise to ensure a comprehensive evaluation of offers. The committee will review all responsive offers and develop a ranked order of vendors based on the points given each evaluation criteria contained herein;
 2. Develop the acquisition plan (strategy to award with or without negotiations) after review of offers;
 3. Ensure consistency among the solicitation requirements, notices to respondents, offer preparation instructions, evaluation criteria, solicitation provisions or contract clauses, and data requirements;
 4. Ensure that offers are evaluated based solely on the evaluation criteria contained in the solicitation;

5. Although not required, should consider the evaluation committee’s evaluations in determining which offerer(s) to enter into negotiations or award outright without negotiations; and
 6. Select the negotiation team if award is not made outright. This can be the evaluation team or any other individual(s) the decision maker deems necessary for the acquisition. The negotiation team will negotiate with those offerer(s) determined by the decision maker to have submitted a proposal that may be beneficial to the university.
- C. All offers shall be initially evaluated based on weighted criteria set forth in the table below by members of an evaluation committee. Such committee shall consist of three (3) or more individuals who have expertise regarding, or some experience with, the subject matter of the ITN or, if none, then individuals who could be characterized as recipients, beneficiaries, or users of the ITN’s subject matter. The Vice President/Dean or his/her written designee(s) will appoint the evaluation committee members. Committee members, at the discretion of the Vice President/Dean or his/her written designee(s), shall have the option to meet as a group any time during formulation of the specifications and solicitation stage to discuss and correct any concerns and ambiguities of the solicitation and specifications. This privilege shall be rescinded upon opening of the offers. After offer opening, each evaluation committee member shall function independently of all other persons including, without limitations, the other committee members, and, throughout the entire evaluation process, each evaluation committee member is strictly prohibited from meeting with or otherwise discussing this ITN and any aspect thereof including, without limitation, the offers and their content with any other individual whatsoever. Each evaluation committee member shall conduct an independent evaluation of the offers in accordance with the weighted evaluation criteria set forth in the following Table A:

Table A – Evaluation of Responses

Evaluation Criteria	Max Points
1. EXPERIENCE AND QUALIFICATIONS OF PROPOSER	15
2. PREVIOUS HIGHER EDUCATION EXPERIENCE	10
3. OVERALL RESPONSIVENESS OF PROPOSAL TO SATISFY SCOPE/ PROJECT APPROACH	35
4. OVERALL PRICING	30
5. CONFORMANCE TO ITN’S PREFERRED CONDITIONS AND REQUIREMENTS (FAILURE TO CONFORM TO ITN’S MANDATORY CONDITIONS AND REQUIREMENTS MAY RESULT IN REJECTION OF PROPOSAL) Section 2.0	10
Evaluation of Responses Point Total	100

Each evaluation committee member must independently score, in writing, each offer on the form depicted in **APPENDIX I**. Each evaluation committee member is to enter comments, if any, regarding the offer and then sign the completed score forms and deliver them, in a sealed envelope, to the **Purchasing Person identified in section 2.1.**, who will forward copies to the **Decision Maker**, or his/her designee. At the time of such delivery to the **Purchasing Person**, the evaluation committee members shall cease to participate further in this ITN process unless expressly requested otherwise by **Decision Maker**.

The **Decision Maker** shall review, in the manner and to the extent he/she deems reasonable under the circumstances, the ITN, the offers, and committee members' scoring forms. While not bound to them, the **Decision Maker** may give deference to the scoring forms. Based on what the **Decision Maker** determines is in the best interest of UCF, the **Decision Maker** will then make the final decision whether or not to recommend the award of a contract to a Respondent to this ITN, negotiate with the respondent(s) whose proposal(s) may be beneficial to the university or cancel the ITN.

The **Decision Maker** may, at any time during this ITN process, assign one (1) or more individuals to assist and advise the **Decision Maker** during his/her decision-making process. UCF is not obligated to make an award under or as a result of this ITN or to award such contract, if any, on the basis of lowest cost or highest commission offered. UCF reserves the right to award such contract, if any, to the Respondent(s) submitting an offer that UCF, at its sole discretion, determines is in UCF's best interest.

2.9 Posting of Recommended Selection

An intent to award will be posted within a reasonable time after the Purchasing Department receives the decision maker's recommended award decision. The recommendation to award a contract, if any, to a Respondent(s) to this ITN will be posted for review by interested parties in the Purchasing Department and the Purchasing Website and will remain posted for a period of seventy-two (72) hours (three (3) business days).

- A. If the Respondent desires to protest the recommendation to award a contract, if any, the Respondent must file with UCF:
 1. A written notice of intent to protest within seventy-two (72) hours (three (3) business days) of the posting of the recommended award. UCF shall not extend or waive this time requirement for any reason whatsoever.
 2. A formal written protest by petition within ten (10) calendar days of the date on which the notice of intent to protest is filed. UCF shall not extend or waive this time requirement for any reason whatsoever.
- B. Failure to timely file a protest or failure to timely deliver the required bond or other security in accordance with the Board of Governors' Regulations 18.002 and 18.003 shall constitute a waiver of protest proceedings.
 1. A formal written protest by petition must be accompanied by a Protest Bond payable to UCF in the amount equal to 10% of the estimated value of the protestor's bid or proposal; 10% of the estimated expenditure during the contract term; \$10,000; or whichever is less. The form of the Protest Bond shall be a cashier's check, bank official check or money order made payable to UCF.
 2. In addition to all other conditions and requirements of this ITN, UCF shall not be obligated to pay for information obtained from or through the Respondent.

2.10 Offer Validity Period

Any submitted offer, shall in its entirety, remain a valid offer for **120** days after the offer submission date.

2.11 Disposition of Offers; Florida Public Records Law Compliance

All offers become the property of the State of Florida, and the State of Florida shall have the right to use all ideas, and/or adaptations of those ideas, contained in any offer received in response to this solicitation. Any parts of the offer or any other material(s) submitted to UCF with the offer that are copyrighted or expressly marked as “confidential”, “proprietary”, or “trade secret”, will only be exempted from the “open records” disclosure requirements of Chapter 119, Florida Statutes, if Florida law specifically recognizes these materials as exempt from disclosure. Thus, the mere designation as “confidential”, “proprietary”, or “trade secret” by a vendor does not ensure that such materials will be exempt from disclosure. In the absence of a specific Florida statute exempting material from the public records law, UCF is legally obligated to produce any and all public records produced or received in the course of conducting university business, irrespective of any designation by the vendor of those same records as “confidential”, “proprietary”, or “trade secret.” The ultimate determination of whether a vendor’s claim of “confidential,” “proprietary” or “trade secret” will support an exemption from disclosure will be made by UCF or, potentially, a court. UCF’s selection or rejection of an offer will not affect this provision.

2.12 Economy of Presentation

Each offer shall be prepared simply and economically, providing a straightforward, concise description of the Respondent’s capabilities to satisfy the conditions and requirements of this ITN. Fancy bindings, colored displays, and promotional material are not desired. Emphasis in each offer must be on completeness and clarity of content. To expedite the evaluation of offers, it is desired and beneficial to evaluators that Respondents follow the format and instructions contained herein. UCF is not liable for any costs incurred by any Respondent in responding to this ITN including, without limitation, costs for oral presentations requested by UCF, if any.

2.13 Restricted Discussions/Submissions

From the date of issuance of the ITN until UCF takes final agency action, the Respondent shall not discuss the offer or communicate with any UCF employees, agents, representatives, Evaluation Committee members or representatives of UCF except as expressly requested by UCF in writing. Violation of this restriction may result in REJECTION of the Respondent’s offer.

2.14 Verbal Instructions Procedure

No negotiations, decisions, or actions shall be initiated or executed by the Respondent as a result of any discussions with any UCF employee. Only those communications that are in writing from the authorized UCF representative identified in Section 2.1. of this ITN that have been approved in writing by UCF’s President or the President’s designee shall be considered as a duly authorized expression on behalf of UCF. Only communications/inquiries from the Respondent that are signed in writing and delivered on a timely basis, i.e., not later than **12 NOON EST on 10/13/2016**, will be recognized by UCF as duly authorized expressions on behalf of the Respondent.

2.15 State Licensing Requirements

To the extent applicable, Respondent shall have all appropriate licenses to conduct business in the State of Florida and Orange Count at or prior to award of a contract resulting from this competitive solicitation; Respondent is to provide proof of such to UCF as a condition of award of a contract. If Respondent

contemplates the use of subcontractors, the Respondent is responsible for ensuring that all subcontractors are registered with the State of Florida in accordance with Chapter 607 or 620, Florida Statutes. For additional information, the Respondent should contact the Florida Secretary of State's Office.

2.16 Parking

Respondent/Vendor(s) shall ensure that all vehicles parked on campus for purposes relating to work resulting from an agreement shall have proper parking permits. This applies to all personal vehicles and all marked and unmarked company vehicles that will be on any University campus for one (1) day or more or on a recurring basis. All such vehicles must be registered with University's Parking Services Department, and parking permits must be purchased by the Respondent/Vendor. Respondent's/Vendor's vehicle(s) shall observe all parking rules and regulations. Failure to obtain parking permits, properly display them, and otherwise comply with all of University's parking rules and regulations could result in the issuance of a parking ticket and/or towing at the expense of Respondent/Vendor or Respondent's/Vendor's employees. For additional parking information or information regarding parking fees/rates, contact University's Parking Services Department at (407) 823-5812 or online at <http://parking.ucf.edu>.

2.18 Procurement Rules

- A. UCF has established for purposes of this ITN that the words “shall”, “must”, or “will” are equivalent in this ITN and indicate a mandatory requirement or condition, the material deviation from which could be waived by UCF. UCF will, at UCF’s sole discretion, determine whether a deviation is material. Any deviation found by UCF to be material shall result in the rejection of the offer.
- B. The words “should” or “may” are equivalent in this ITN and indicate very desirable conditions, or requirements but are permissive in nature. Deviation from, or omission of, such a desirable condition or requirement will not in and of itself cause automatic rejection of an offer, but may result in the offer being considered as not in the best interest of UCF. UCF will, at UCF’s sole discretion, determine whether an offer is considered as not in the best interest of UCF and may or may not reject the offer, all at UCF’s sole discretion.

- C. The Respondent must comply with the instructions cited in Section 2.3. Also, the Respondent must initial the designated sections set forth on Appendix II, indicating that the Respondent has either understood and agreed to or disagreed with each particular section listed on Appendix II. Failure to submit Appendix II with each area marked as set forth above and initialed by the Respondent shall constitute grounds for rejection of the offer by UCF and shall give UCF the right to reject the offer, at UCF's sole discretion.
- D. The Respondent is solely responsible for the accuracy and completeness of its offer. The Respondent's errors or omissions, if any, are solely at the risk of the Respondent and may be grounds for rejection of the offer and shall give UCF the right to reject the offer, at UCF's sole discretion.

2.20 Limitation of Remedies, Indemnification, and Insurance

- A. The Attorney General of the State of Florida has rendered an opinion that agencies of the State of Florida cannot contractually limit the State's right to redress. Consequently, any offer by Respondent to limit the Respondent's liabilities to the State or to limit the State's remedies against the Respondent is unacceptable and will result in the REJECTION of the Respondent's offer.
- B. As an agency of the State of Florida, UCF's liability is regulated by Florida law. 2.26 Records

The Respondent/Vendor/Payee/Offerer agrees to keep and maintain, separate and independent records, in accordance with generally accepted accounting principles, devoted exclusively to its obligations and activities pursuant to a contract resulting from this ITN. 3. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the contractor does not transfer the records to the public agency.
4. Upon completion of the contract, transfer, at no cost, to the public agency all public records in possession of the contractor or keep and maintain public records required by the public agency to perform the service. 2.37 Waiver of Rights and Breaches

No failure or delay by a party hereto to insist on the strict performance of any term of a contract resulting from this ITN, or to exercise any right or remedy consequent to a breach thereof, shall constitute a waiver of any breach or any subsequent breach of such term. No waiver of any breach hereunder shall affect or alter the remaining terms of such a contract, but each and every term of such a contract shall continue in full force and effect with respect to any other then existing or subsequent breach thereof. The remedies provided in such a contract are cumulative and not exclusive of the remedies provided by law or in equity.

Violation of this section by Respondent shall be grounds for cancellation of such contract. The Respondent also warrants that no person or selling agency has been employed, engaged or retained to solicit or secure any contract resulting from this ITN or any advantage hereunder upon an agreement or understanding for a commission, percentage, brokerage or contingent fee, or in exchange for any substantial consideration bargained for, excepting that which is provided to the Respondent's bona fide employees or to bona fide professional commercial or selling agencies or in the exercise of reasonable diligence should have been known by the State to be maintained by the Respondent for the purpose of securing business for Respondent. In the event of the Respondent's breach or violation of this warranty, UCF shall, subject to Respondent's rights under Chapter 120, Florida Statutes, have the right, at its option, to annul any contract resulting from this ITN without liability, to deduct from the charges otherwise payable by UCF under such contract the full amount of such commission, percentage, brokerage, or contingent fee, and to pursue any other remedy available to UCF under such contract, at law or in equity.

2.40 Employment of Aliens

Payee's employment of unauthorized aliens, if any, shall be considered a violation of §§274(e) of the Immigration and Nationality Act. If the Payee knowingly employs unauthorized aliens, such violation shall be cause for unilateral cancellation of a contract resulting from this ITN by the University.

2.41 Site Rules and Regulations

Respondent shall use its best efforts to assure that its employees and agents, while on UCF's premises, shall comply with the State's and UCF's site rules and regulations, if any.

2.42 Travel Expense

Respondent shall not under this ITN or any resulting contract charge UCF for any travel expenses, meals, and lodging without UCF's prior written approval. Upon obtaining UCF's prior written approval, Respondent may be authorized to incur travel expenses payable by UCF to the extent and means provided by Section 112.061, Florida Statutes and applicable UCF policies. Any expenses in excess of the prescribed amounts shall be borne by the Respondent.

2.45 Contractual Precedence

The contract that results from this ITN, if any, and any attachments and/or addenda that are executed by University's duly authorized signatory constitutes the entire and exclusive agreement between the parties. Attachments and/or addenda may include, but are not limited to UCF's Invitation To Negotiate ("ITN") including all the University's ITN specifications, and the Payee's ITN response. In the event of any conflict or inconsistency between before mentioned documents, the order of precedence is:

- A. The Agreement/Contract;
- B. University's ITN and ITN specifications;
- C. Respondent's ITN response; and
- D. Any other attached documents signed by the University's official signatory at the time the Agreement/Contract is executed.

2.46 Use of Contract by Other Governmental Agencies:

At the option of the Vendor/Contractor, the use of the contract resulting from this solicitation may be extended to other governmental agencies, including the State of Florida, its agencies, political subdivisions, counties, and cities. Each governmental agency allowed by the vendor/contractor to use this contract shall do so independent of any other governmental entity. Each agency shall be responsible for its own purchases and shall be liable only for goods or services ordered, received and accepted. No agency receives any liability by virtue of this offer and subsequent contract award.

2.47 Public Entity Crimes:

A person or affiliate who has been placed on Florida's convicted vendor list following a conviction for a public entity crime may not submit an offer on a contract to provide any goods or services to a public entity, may not submit an offer on a contract with a public entity for the construction or repair of a public building or public work, may not submit offers on leases of real property to a public entity, may not be

awarded, or perform work as a contractor, supplier, subcontractor, or consultant under, a contract with any public entity, and may not transact business with any public entity in excess of the offer limit for that public entity, for a period of thirty-six (36) months from the date of being placed on the convicted vendor list.

2.48 Work for Hire

Any work specifically created for the University under a contract resulting from this ITN by the Payee or anyone working on behalf of the Payee (the term Payee shall encompass both) shall be considered a "work for hire." All designs, prints, paintings, artwork, sketches, etchings, drawings, writings, photographs, or any other work or material or property produced, developed or fabricated and any other property created hereunder, including all material incorporated therein and all preliminary or other copies thereof, (the "Materials") shall become and remain the property of the University, and, unless otherwise specifically set forth herein, shall be considered specially ordered for the University as a "work made for hire," or, if for any reason held not to be a "work for hire," the Payee who created, produced, developed or fabricated the Materials hereunder assigns all of his/her right, title and interest in the Materials to the University.

The University shall own all right, title and interest in the Materials. The Payee agrees upon request to execute any documents necessary to perfect the transfer of such title to the University. The Materials shall be to the University's satisfaction and are subject to the University's approval. The Payee bears all risk of loss or damage to the Materials until the University has accepted delivery of the Materials. The University shall be entitled to return, at the Payee's expense, any Materials which the University deems to be unsatisfactory. On or before completion of the Payee's services hereunder, the Payee must furnish the University with valid and adequate releases necessary for the unrestricted use of the Materials for advertising or trade purposes, including model and property releases relating to the Materials and releases from any persons whose names, voices or likenesses are incorporated or used in the Materials.

The Payee hereby represents and warrants that, (a) all applicable laws, rules and regulations have been complied with, (b) the Payee is free and has full right to enter into this P.O. and perform all of its obligations hereunder, (c) the Materials may be used or reproduced for advertising or trade purposes or any commercial purposes without violating any laws or the rights of any third parties and (d) no third party has any rights in, to, or arising out of, or in connection with the Materials, including without limitation any claims for fees, royalties or other payments.

The Payee agrees to indemnify and hold harmless the University and those acting for or on its behalf, the UCF Board of Trustees, the State of Florida and the Florida Board of Governors and their respective officers, agents, employees and servants from and against any and all losses, claims, damages, expenses or liabilities of any kind, including court costs and attorneys' fees, resulting from or in any way, directly or indirectly, connected with (a) the performance or non-performance of the University's order by the Payee, (b) the use or reproduction in any manner, whatsoever, or (c) any breach or alleged breach of any of the Payee's contracts or representations and warranties herein.

2.49 Export Control:

The parties shall comply with all applicable U.S. export control laws and regulations, including but not limited to the International Traffic in Arms Regulations (ITAR), 22 CFR Parts 120 through 130, the Export Administration Regulations (EAR), 15 CFR Parts 730 through 799 and/or other restrictions imposed by the Treasury Department's Office of Foreign Asset Controls (OFAC), in the performance of a contract resulting from this ITN. The parties agree that no technology, related data or information will be exchanged or disseminated under such a contract nor any collaboration conducted pursuant to such a contract, which are export controlled pursuant to the export control laws of the United States, including the EAR and the ITAR and any other applicable regulations.

The Parties agree that the Payee will not provide the University with any ITAR or EAR restricted technology and/or related data, and that any ITAR or EAR restricted technologies and/or data produced in furtherance of a contract resulting from this ITN will be in the exclusive possession of the Payee and at no time will any export controlled technologies, related data, or information be intentionally or inadvertently transferred to the University, its facilities, labs, staff, researchers, employees, officers, agents, servants or students in the performance of such a contract.

If the Payee wishes to disclose export controlled technology or technical data to the University, the Payee will, prior to disclosing any information, technical data or source code that is subject to export controls under federal law, notify the University in writing that the material is export controlled and shall identify the controls that apply. The University shall have the right to decline or limit (a) the receipt of such information, and (b) any task requiring receipt of such information. In the event the Payee sends any such technical data or product that is subject to export control, without notice of the applicability of such export control, the University has the right to immediately terminate a contract resulting from this ITN. The Payee understands and agrees that to the extent the Payee's personnel have access to work or materials subject to U.S. export controls while on University property, such personnel will meet all federal export control regulatory requirements or have the appropriate U. S. government approval.

2.50 Nonnegotiable Conditions and Requirements

The University seeks to award a contract from this ITN that complies with applicable law and will be both fair and reasonable to all parties, protecting the best interest of the University, its Board of Trustees, faculty, staff and students. With that goal in mind, we have developed a list of terms and conditions that are either required by law and are thus non-negotiable or have been deemed to be important to the University's interests and are thus non-negotiable. Any discussions seeking to alter or remove such a term or condition from any contract resulting from this ITN shall not be granted to any Respondent. The non-negotiable terms and conditions are listed on Appendix II of this document, and identified with ****non-negotiable****. Respondents that disagree with any of those "non-negotiable" terms and conditions should forego submitting an offer because said offer shall be rejected as nonresponsive to this ITN. Failure to submit Appendix II with the offer constitutes grounds for rejection of the offer and UCF shall have the right to reject said offer, at UCF's sole discretion.

2.51 Additional Quantities

The University reserves the right to increase or decrease total quantities as necessary. The University may place additional orders for the same commodities/services solicited under this ITN within 180 days after expiration of the contract resulting from this ITN. CERTIFICATE OF NON-SEGREGATED FACILITIES

We, _____ certify to the University of Central Florida that we do not and will not maintain or provide for our employees any segregated facilities at any of our establishments, and that we do not and will not permit our employees to perform their services, under our control, where segregated facilities are maintained. We understand and agree that a breach of this certification is a violation of the Equal Opportunity clause required by Executive order 11246, amended.

As used in this certification, the term "segregated facilities" means any waiting rooms, work areas, rest rooms and wash room, restaurants and other eating areas, time clocks, locker rooms and other storage or dressing areas, parking lots, drinking fountains, recreation or entertainment areas, transportation and housing facilities provided for employees which are segregated by explicit directive or are in fact segregated on the basis of race, creed, color or national origin, because of habit, local custom or otherwise.

We, further, agree that (except where we have obtained identical certifications from offered subcontractors for specific time periods) we will obtain identical certifications from offered subcontractors prior to the award of subcontracts exceeding \$10,000 which are not exempt from the provisions of the Equal Opportunity Clause; that we will retain such certification in our files; and that we will forward the following notice to such offered subcontractors (except where the offered subcontractors have submitted certifications for specific time periods):

NOTE TO PROSPECTIVE SUBCONTRACTORS OR REQUIREMENTS FOR CERTIFICATIONS OF NON-SEGREGATED FACILITIES. A Certificate of Non-segregated Facilities, as required by the 9 May 1967 order on Elimination of Segregated Facilities, by the Secretary of Labor (32 Fed. Reg. 7439, 19 May 1967), must be submitted prior to the award of a sub-contract exceeding \$10,000 which is not exempt from the provisions of the Equal Opportunity clause. The certification may be submitted either for each sub-contract or for all subcontracts during a period (i.e. quarterly, semiannually, or annually).

The Contractor and subcontractors shall abide by the requirements of 41 CFR, Section 60-1.4(a), 60-300.5(a) and 60-741.5(a). These regulations prohibit discrimination against qualified individuals based on their status as protected veterans or individuals with disabilities, and prohibit discrimination against all individuals based on their race, color, religion, sex, or national origin. Moreover, these regulations require that covered prime contractors and subcontractors take affirmative action to employ and advance in employment individuals without regard to race, color, religion, sex, national origin, protected veteran status or disability.

NOTE: Whoever knowingly and willfully makes any false, fictitious, or fraudulent representation may be liable to criminal prosecution under 18 U.S.C. 1001.

Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the contracting officer setting forth the provisions of this nondiscrimination clause.
- (2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex or national origin.
- (3) The contractor will send to each labor union or representative of workers with which the contractor has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contracting officer, advising the labor union or worker's representative of the contractor's commitments under Section 202 of Executive Order No. 11246 of September 24, 1965, and shall post copies of notice in conspicuous places available to employees and applicants for employment.
- (4) The contractor will comply with all provisions of Executive Order No. 11246 of September 24, 1965 and of the rules, regulations, and relevant orders of the Secretary of Labor.

- (7) The contractor will include the provision of Paragraphs (1) through (7) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to Section 204 of Executive Order No. 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase orders the contracting agency may direct as a means of enforcing such provisions including sanctions for noncompliance. Provided, however, that in the event the contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the contracting agency, the contractor may request the United States to enter into such litigation to protect the interest of the United States.

SEC. 402 Affirmative Action for Disabled Veterans and Veterans of the Vietnam Era:

(1) The contractor agrees to comply with the affirmative action clause and regulation published by the US Department of Labor implementing Section 402 of the Vietnam Era Veteran's Readjustment Assistance Act of 1974, as amended, and Executive Order 11701, which are incorporated in this certificate by reference.
