

UNIVERSITY OF CENTRAL FLORIDA

MEMORANDUM

TO: William F. Merck II
Vice President for Administration and Finance
and Chief Financial Officer

FROM: Gregory D. Robinson, MPA, CAP
Director of Procurement Services

DATE: June 23, 2017

SUBJECT: **Sole Source Purchases – Annual Certification for the Period
July 1, 2017 through June 30, 2018**

Your approval is requested for an annual certification in accordance with Administration and Finance Regulation UCF-7.130(1)(e), for the acquisition of sole source and non-competitive items that are purchased on a regular or continuing basis. The Director of Procurement Services has authority and fiduciary duty to compete any request submitted under the below listed categories if in his/her sole discretion deems competition to be feasible and in the best interest of the university.

The following existing categories and conditions are hereby submitted for your review and approval:

CATEGORY 1 – *The acquisition of repair or replacement parts available from only a single source for existing equipment and systems when no other manufacturer's parts can be utilized.*

CATEGORY 2 – *The acquisition of copyrighted and single source instructional materials, tapes, publications, manuscripts, films and personal library collections.*

CATEGORY 3 – *The acquisition of live animals and animal feed for instructional and research efforts wherein the selection must be determined by the expert opinion of the buyer, in consideration of genetic background, quality, body weight and special diet conditions to attain the research or instructional objectives.*

UNIVERSITY OF CENTRAL FLORIDA

CATEGORY 4 – *The acquisition of proprietary accessories, equipment and/or supplies, including expendable items, from a single source for existing equipment and systems where no other manufacturer’s product(s) can be used.*

CATEGORY 5 – *The acquisition of proprietary services available only from a single source for existing equipment and systems where no other manufacturer’s services can be used, e.g., UCF owned, rented or leased equipment (copiers, computers, special office machines, etc.)*

CATEGORY 6 – *The acquisition of renovations, modifications, maintenance or repair services for leased office or laboratory space which are specifically provided for in the lease agreement and/or are required to be accomplished by the owner/landlord and subsequently reimbursed by the University.*

CATEGORY 7 – *The acquisition of computer software that is available only from a single source or that is necessary to perform with existing software or hardware. This includes software licenses, subscriptions or maintenance.*

CATEGORY 8 – *Memberships that are essential to the duties and responsibilities of the University.*

CATEGORY 9 - *Acquisitions essential to university student safety, welfare, and education available from a single source, or deemed impractical to compete in the best interest of students that are paid by student fees specifically budgeted for that purpose. This includes student activities, technology fee and student equipment fee purchases.*

CATEGORY 10 - *Financial consulting services.*

Approved: 

William F. Merck II
Vice President for Administration and Finance
and Chief Financial Officer
