

BID AND QUOTE LIMITS

The University of Central Florida (UCF) has the authority to use contracts from other universities, public and private, as well as contracts from other states, the federal government, political entities, and educational cooperatives when determined to be cost-effective and in the best interest of the university. Procurement Services can assist with the bid process if obtaining quotes becomes necessary.

UCF strongly encourages the use of minority businesses and their inclusion in the solicitation process. Minority businesses are those that are certified as minority-owned (African- American, Asian-American, Hispanic-American, and Native-American), woman-owned, service-disabled veteran-owned (M/WBE) or small business enterprise (SBE). We also track expenditures with small business concerns such as disadvantaged businesses and 8(a) companies. Contact Diversity in Contracts at procurement@ucf.edu for further information on minority business listings.

Procurement Services reserves the right to compete any purchase request regardless of dollar amount when it is determined that better pricing is available. b. Waiver of Competition: It is a money saver to obtain competition for all purchases. Procurement Services can assist in obtaining quotes if a department's research falls short. As stated above, competition is required between \$10,000.01 and \$75,000.00, but Procurement is aware that sometimes the required number of quotes is not possible. In those instances, Procurement's management can waive the need for competition if the request to waive additional quotes is properly justified. The approved request to waive quotes must accompany the purchase requisition. Sole Source Certification forms are only required above \$75,000.01. c. \$500,000: The President is authorized to contract for goods and services up to any dollar amount and he approves any purchase exceeding \$500,000. The Director of Procurement has authority up to \$500,000 but authorized to approve acquisitions exceeding that amount from a purchasing perspective if already approved by the President.
