Modification of the Agreement between the Board of Trustees of the University of Central Florida (UCF) and AliveTek entered into and effective upon execution by all parties for the duration of the Agreement and in accordance with the terms of the Agreement.

The purpose of this modification is as follows:

- Agreement is hereby renewed for one year from July 1, 2017 to June 30, 2018.
- The Agreement shall automatically renew on the anniversary of each renewal period unless either party submits written notification of nonrenewal within 60 days prior to this and any renewal's expiration date. Total renewals shall not exceed 10 years.
 - The parties are permitted to renegotiate terms as they deem necessary.
- Incorporate AliveTek's Feb 3, 2017 proposal (attached) into the Agreement.
- Pricing to each university will be in accordance with the "Pricing" section, page 11, of AliveTek's proposal.
- Each university will be invoiced by AliveTek separately.
 - Invoices should be directed to the Vice President for Student Affairs or equivalent position at each institution.
- No university within the State University System will be obligated to participate in this or any subsequent renewal. Universities choosing to participate in this and any subsequent renewal will do so as they deem beneficial to their respective university.
- Universities, including UCF, will only be responsible for administration, payment, and liability associated with their specific university.

The provisions of this modification, unless and until modified by written document signed by both parties, shall prevail over all conflicting provisions in the Agreement and/or any attachments hereto.

All other terms and conditions of the Agreement (in their final version as agreed to between both parties) remain unchanged.

IN WITNESS WHEREOF, the parties hereto have executed this extension by a duly authorized representative.
