ATTACHMENT “B” SCOPE OF WORK

UCF is seeking to establish master agreements/contracts with several service providers to provide temporary labor services. Proposer provided information will be used by evaluators to quantify Proposers’ capabilities. This ITN will also establish mutually agreeable terms and conditions; however, some terms and conditions are not negotiable and are denoted in this ITN. Also, no additional terms and conditions will be allowed once agreements are in place.

Once the master agreements are in place for each selected proposer and a service need arises, UCF will issue Price Quote Requests (via email). The number of quotes requested will depend upon the anticipated total amount of the required service. Each provider must acknowledge the receipt of the Price Quote Requests by replying to the email. The Price Quote Requests will denote what type(s) skills are needed and a brief scope or description of work. The description/scope of work may be general or specific, depending on the need. A temporary staff member may be needed for a specific period of time. Thus, a Price Quote Request will need to provide the length of the assignment. UCF will give each service provider 3-5 business days to respond to the Price Quote Requests by submitting their hourly rate. UCF will select the service provider for the particular service and situation based on the results of the Price Quote. UCF cannot guarantee any level of service commitments as the result of establishing master agreements with service providers.

All temporary staff members are to be supervised by UCF managerial personnel. All temporary staff members will receive their assignment(s) from their supervisor. All temporary staff members are to be treated as if he / she are a member of the UCF Staff working alongside other UCF staff members.

If it becomes obvious to UCF a temporary staff member is not performing well, immediate actions will be taken by UCF that may require UCF requesting the service provider to remove the temporary staff member from the assignment. This decision to take action will be solely UCF’s decision and will be final, not negotiable by the service provider. UCF may or may not request a replacement temporary staff member from the same service provider.

Other situations that will require the removal of a temporary staff member is inappropriate behavior. Such behavior includes, but is not limited to: suicidal behavior, self-injury, threats to harm others, disruptive behavior, and visibly under the influence and/or intoxication by alcohol or other drugs, and stealing.

Service Provider’s invoicing shall be submitted to UCF within 30 days of completing a specific assignment. If the assignment or assignments are continuous in nature spanning weeks and / or months, service providers shall be able to invoice UCF on a monthly basis. Invoices are to denote the following at a minimum:

- Department name
- Temporary staff member’s name
- Job category
- Number of hours worked
- Purchase Order Number

All temporary staff hired are required to have a background check performed by the temporary employment agency prior to commencement of a work assignment, pursuant to Florida state level one background screening standards. This is to include: National Sex Offenders Registry, federal criminal database, national criminal history records, statewide criminal history background check through the Florida Dept. of Law Enforcement and Driver's License records. The agency must provide the university hiring official with certification that the background check was performed and cleared by the agency.

Depending on the nature of the position or duties required, the hiring officials may request the agency to perform additional levels of background screening.
