

WAIVER OF COMPETITION CERTIFICATE (\$25,000.01 to \$150,000)

Waiver of competition is a request to purchase product(s) and/or services(s) without competition when competition is otherwise required. This generally means that the product/service is unique, and that the supplier is the only one from whom the product/service can be provided. In accordance with the authority granted under applicable Florida law, the following documentation must be submitted in support of this request (see pages 3-4).

The purchase requisition can be entered into Workday at any point during the process set forth herein; however, doing so does not guarantee approval of the waiver.

Once the completed waiver is received, Procurement Services reviews the documentation provided and determines whether the waiver is valid or if there are additional suppliers that may be able to provide the requested product or service. The waiver review and approval process varies based on the nature of the product/service being requested and the information provided in the requestor's justification, among other factors, so please keep this in mind when submitting the form.

The usual quote process shall be conducted if waiver of competition is not granted.
