

Temporary Labor Services. ITN2021-03TCSA

Contract Term: November 1, 2022 – October 31, 2025 with 6 additional 1 year renewals

The university entered into an agreement with suppliers to provide temporary labor services in numerous categories. It is a university requirement that only these suppliers be contacted when a temporary staffing need arises in your department.

How to use this contract:

- Price quotes shall be requested from only the awarded vendors shown in the below table. The number of quotes requested will depend upon the anticipated total amount of the required services.

Total Required Services	Quotes Required
\$25,000.01 - \$75,000	2
\$75,000.01 - \$150,000	3
\$150,000.01+	4

- Request for Quotes from departments to the vendors shall denote the following minimum requirements:
 - ✓ Type(s) of skills needed and a brief scope or description of work.
 - ✓ Length of assignment (i.e., 1 week, 4 months, etc.).
 - ✓ Location of assignment (physical work location).
 - ✓ Hours of work (i.e., 8am – 5pm M-F).
- Unless the need is urgent, provide each supplier 3 to 5 business days to respond to your request for quote by submitting their hourly bill rates and applicants' resumes (if applicable).
- Select the supplier based on the results of department's quote request.
- Submit a requisition with all suppliers' quotes and related documentation attached.

Background Requirements:

All temporary staff hired are **required** to have a background check performed by the temporary employment agency **prior** to commencement of a work assignment, pursuant to Florida level one background screening standards. This is to include: National Sex Offenders Registry, federal criminal database, national criminal history records, statewide criminal history background check through the Florida Dept. of Law Enforcement and Driver's License records. The agency must provide the university hiring official with certification that the background check was performed and cleared by the agency. Depending upon the nature of the position or duties required, the hiring officials may request the agency to perform additional levels of background screening.

Invoicing:

Supplier will submit invoices within 30 days of completing a specific assignment. If the assignment(s) are continuous; spanning weeks and/or months, supplier(s) will invoice on a monthly basis.

Note 1: Temporary staffing under an existing contract with a supplier will continue to be honored through the completion of those assignments. Any new staffing requirements must be obtained under this staffing contract.

Note 2: This contract is to obtain temporary staffing services only. Recruitment of permanent executive staff shall be processed by engaging executive search firms and others that are in the business to provide those type specialized/high level placements.
