

WAIVER OF COMPETITION CERTIFICATE

(\$25,000.01 to \$150,000)

Waiver of competition is a request to purchase product(s) and/or services(s) without competition when competition is otherwise required. This generally means that the product/service is unique, and that the supplier is the only one from whom the product/service can be provided. In accordance with the authority granted under applicable Florida law, the following documentation must be submitted in support of this request (see pages 3-4).

This form and related documentation shall be submitted through Workday Help using case type Waivers and Sole Source. Please do not attach to a requisition or send via email for review and approval.

WD case subject title should have common structure for easy tracking, to include:

- Exemption type (Waiver of Competition)
- Supplier name
- Purchase amount

Once the completed waiver is received, Procurement Services in collaboration with kNEXT reviews the documentation provided and determines whether the waiver is valid or if there are additional suppliers that may be able to provide the requested product or service. The waiver review and approval process varies based on the nature of the product/service being requested and the information provided in the requestor's justification, among other factors, so please keep this in mind when submitting the form.

Contingent upon approval, Procurement Services will notify the requester through Workday Help to attach the completed packet to a requisition so a purchase order can be issued.

The usual quote process shall be conducted if waiver of competition is not granted.
