HIGH SPEED MID-INFRARED CAMERA SYSTEM

1. Could you please let me know if Telops is registered in your system as a supplier, and if so, if it's Telops Inc. in Canada or Telops USA in Delaware?

UCF Answer: Telops, Inc. was a registered supplier.

Telops, Inc.
100-2600 Avenue Saint-Jean-Baptiste
QC G2E 6J5
Canada

However, due to inactivity within the last two years, Telops, Inc. needs to be reactivated. Please see [International Vendors - UCF Global](#) for more information about this process.

2. We submitted a formal proposal to the requesting Vasu Lab dept., so should we upload that along with the bid, or just upload the official bid form?

UCF Answer: Yes. Please submit your formal proposal along with the bid and all required signature acknowledgements.

3. One of the questions I will have is whether a non-US company can bid on this offer.....I think so, but when I read the Legal Opinion Certificate, it made me wonder....So best that we include this in our questions package.

UCF Answer: Yes.

4. In addition to my previous questions (ie can a Canadian co bid on this), I also want to know whether the client will accept a Certificate of Good Standing from Corporations Canada since Telops Inc. is a Canadian corporation. Telops Inc. is not registered in any US states.

UCF Answer: Yes.

5. Can you please ask who signed the Legal Opinion Certificate the last time Telops made the bid?

UCF Answer: Jean LaFrance signed "Attachment 3 Compliance and Certification of Good Standings" on May 10, 2023, in response to ITB 2022-17OC IR Camera.
