DESIGN STANDARDS – SITE FURNISHINGS

Note: Some images are digital renderings and may not depict the color or texture accurately. All products have varying options for materials and sizing, and can all be surface mounted.

LOCATIONS

GENERAL CAMPUS
This area includes all areas of UCF's built environment. Specialty spaces and Natural Areas may overlap with several General Campus furnishings.

SPECIALTY SPACES
These spaces include small plazas, courtyards, and other spaces intended to be unique. Furnishings for Specialty Spaces will need to be approved by UCF. Furnishings from the General Campus may overlap with the Specialty Spaces.

NATURAL AREAS
These areas include the Arboretum, trail heads, trails, outdoor pavilions, and other spaces intended to be more naturalized. Furnishings for Natural Areas will need to be approved by UCF. Furnishings from the General Campus may overlap with the Natural Areas.
